MILITARY APPRECIATION PROGRAM

March Air Reserve Base and the Naval Surface Warfare Center, Corona Division collectively create more than $900 million of economic impact in the Greater Riverside area. You can participate in the Military Appreciation Program by being a booster and displaying your 2023 MILITARY APPRECIATION DECAL.

Your Chambers of Commerce Military Affairs Council (MAC) actively promotes good relations year-round between the community and Bases. Funds raised go to support many worthy projects at March Air Reserve Base (MARB) and the Naval Surface Warfare Center, Corona Division:

- Military Appreciation Picnic at MARB
- Southern California Air Show at March Field
- Naval Surface Warfare Center Open House
- Inland Empire Navy Birthday Ball
- Raincross Trophy Awards Dinner
- Many other Base/Community projects

In recognition of the importance of Military Forces in our community,
I/we hereby pledge support of the MILITARY APPRECIATION PROGRAM
