

# 10 WAYS

## THE CHAMBER WAS A CHAMPION FOR YOUR BUSINESS DURING COVID-19

When the going gets tough, the Chamber doesn't sit on the sidelines.

We are doing everything in our power to support members, and together, we will get through COVID-19!

**Promoted the Safer Together, Greater Together Pledge** for businesses to commit to the latest COVID-19 protocols to ensure customer and employee safety.

WE TOOK THE  
**PLEDGE**

**Informed members of funding opportunities, regulation changes, and re-opening info** through the twice-weekly *Chamber Impact* email.

**Launched the COVID-19 Business Resource Portal** on the Chamber's website providing up-to-date access to top-level resources.

**Helped restaurants and businesses stay open by connecting them with 6,600 community members** on the Chamber's Facebook group.

Prioritized resident and workforce safety by **distributing over 10,000 free masks** to members and local businesses.

**Called all 1,377 members to check in, find answers, offer funding resources,** and connect members with PPE.

**Created the Business Webinar Series Portal hosting free webinars** related to COVID-19 about new HR laws, telecommuting, workplace hygiene, and more.

Connected Feeding America Riverside with locations for drive-thru food distribution events which **served over 5,000 of the community's most vulnerable neighbors.**

**Represented members in decisions around re-opening** by convening the COVID-19 Riverside Recovery Task Force and joining the County's Economic Recovery Team.

Partnered in a local coalition to **urge Governor Gavin Newsom to implement guidelines and start the process of re-opening businesses.**
