

In Case You Missed It... NARHC is Hard at Work Advocating for RHCs

These are certainly extraordinary times. Dealing with the coronavirus pandemic these past few months has been and continues to be very challenging for everyone, especially those of us in Rural Health Clinics. Keeping abreast of ever-changing legislation and guidance is more imperative now than ever! Just know that NARHC is here for you, we've got your back, and continue to advocate on behalf of **all** RHCs.

Check the "[News](#)" tab on the narhc.org website frequently for the latest RHC news and like our [FB page](#). Pay attention to dates on the news tab articles--guidance changes frequently.
