

Discover the Online World of Novitasphere

Novitas, the Medicare Administrative Contractor (MAC) for Jurisdiction H and Jurisdiction L, offers many ways to conduct your day-to-day Medicare business through Novitasphere, our free, secure internet portal. Novitasphere offers a world of timesaving features and easily connects you directly to Novitas Solutions in order to receive instant access to:

- Obtain beneficiary eligibility and obtain the Medicare Beneficiary Identifier (MBI)
- Submit claims and retrieve electronic claim reports
- Check claim status
- Retrieve and print remittance advices
- Perform claim corrections and report claims as billed in error
- Submit appeal requests
- And much more!

Having this real-time access to your patients' information will allow for better care coordination and convenience.

To learn more about Novitasphere, we offer a series of educational webinars to review the features within Novitasphere. Please visit the Educational Events page of our website to register for an upcoming event.
