

National Association of Rural Health Clinics

Certified RHC Professional™ Training (CRHCP)

<http://bit.ly/CRHCPevent>

Ph. 866-306-1961

ONLINE TRAINING* will prepare you to successfully manage and run an RHC. Learn the latest information on RHC rules, regulations, and laws. Study nights, weekends, or whenever your schedule permits! Course takes approximately 30 hours. No prerequisite! Coursework is broken into 4 modules with video presentations & a series of short knowledge-based tests for each module. This course is designed to give you a well-rounded, ground level knowledge base of the major facets of RHC management.

**In-person exam is required in San Antonio, TX*

Module 1: Administration & Finance

Module 2: Billing & Coding

Module 3: Human Resources

Module 4: Reg. Compliance & Quality

Becoming Certified & Maintaining Certification: After completing the online training, you will be required to complete the in-person exam in Lake Tahoe. To maintain certification, you will be required to maintain 16 CEUs every 2 years. See complete information on our website.

**Next CRHCP Course Registration
Starts January 2, 2019**

No registrations accepted before January 2 & we did fill last time in about 4 days.
Registration info. is on our website: <https://narhc.org/events/crhcpttraining/>

*Final Exam in San Antonio, TX: March 22, 2019, 1-3pm
This exam immediately follows the 2019 NARHC Spring Institute
