

DEMENTIA IN-SERVICE TRAINING FOR DIRECT CARE PROFESSIONALS

Provided by:

Calling all companions, HHA's, CNA's and other direct care professionals!

Learn about the different types of dementia, stages of Alzheimer's disease, and how to best care for a client with dementia. This two-hour in-service training will leave you with new information, tips and communications strategies, and more confidence in working with your clients and their families.

WEDNESDAY, MARCH 4TH

2:30 - 4:30 P.M.

at the Long Island Alzheimer's & Dementia Center
in Westbury, NY

Fee: \$40 per person (registration and pre-payment required)

Note: this training program is not recognized as a certification or license by New York State

For more information and to register, call (516) 767-6856
