Champions for Charity® was founded by Americana Manhasset in 1996. This annual holiday shopping benefit has been embraced by the community, growing to support over 130 not-for-profit organizations with the participation of over 70 Americana Manhasset and select Wheatley Plaza stores. Now in its 24th year, *Champions for Charity*® has raised nearly 13 million dollars. Taking an active role in the community has been an integral part of Castagna Realty Retail Group's mission and particularly throughout Americana Manhasset's 62 year history.
