

## **Cover Letter for Research Solicitation and Planning Workshop**

To Industry Advisors and Faculty Researchers:

Please refer to the instructions provided in the CAPER 2022 Research Solicitation, Project Proposal Template, and Project Presentation Template for CAPER sponsored research activities for 2022 and 2023.

This solicitation is for CAPER member use only. Please do not circulate.

The Project Proposal Template must be used to submit a proposal. Presentations will be required for each proposal at the next CAPER meeting's IAB meeting and the Project Presentation Template must be used. Proposal presentations are limited to 5 slides to allow sufficient time for Q&A from industry members.

Reminder to our industry members: If you have a project idea, contact CAPER faculty to develop a proposal.

Reminder to faculty: Invite industry advisors to join your proposals by sending a short summary of the proposed project when requesting participation as an industry advisor.

Proposals are due to the attention of Center Director, Dr. Michael Mazzola UNC Charlotte by February 28, 2022 and should be forwarded to [caper-proposals@uncc.edu](mailto:caper-proposals@uncc.edu).
