Keep it Together: The Contract is Just the Beginning
8hr. CE, Course #33477

Starting with a very thorough discussion about Transaction Management, aimed at making sure everything that is supposed to happen… does, is crucial to reaping the rewards of all your hard work to get all the way to contract. Then, to simply move on to the next transaction robs your future of untapped income possibilities, so we will discuss Post-Closing follow-up, and then the gold mine your database and how to extract income from it for years to come.
