

## **PLEASE SUPPORT UNITED FOR ACTION'S BACKPACK PROJECT**

**WHY:** The community coalition United for Action is committed to supporting our North Tahoe/Truckee neighbors who need basic daily essentials especially people who are homeless, victims of domestic violence, or at risk of harm or illness.

**WHAT:** We're filling 1,000 backpacks with items for basic health, hygiene, and comfort for both men and women. By buying in bulk, we save money and meet a real need.

**Each lightweight backpack will be fully equipped with an ecofriendly water bottle, soap, toothbrush, toothpaste, athletic socks, razor, comb, sewing kit, band aids, and tampons (for women's packs).**

**HOW:** They will be given away at no cost through organizations providing direct services: churches, synagogues, and spiritual houses; homeless and food advocates; law enforcement; family resource centers; and nonprofit agencies. This model has been successful in other communities.

**PLEASE HELP: A fully equipped backpack costs only \$4.40. You can help get them to our neighbors in need:**
