

Michael and Teresa Krajcer

(Daughter Mallory at the Helm)

Michael and Teresa live in Sea Pines, along with the youngest of their three daughters Mallory (pictured in her first time behind the helm). They are from Cleveland, Ohio, moving to HHI in 2020 after vacationing on the island for years (Starting with their honeymoon). They own their own business, providing specialized tax consulting services to businesses nationally.

They recently purchased their first boat, a 25' Boston Whaler that they dock at their private marina on Gull Point Road. New to boating, they have been roaming the sound and really enjoy a casual run through Bull Island to the May River. Future boating plans are to get out on the ocean for some serious fishing, and to partake in the ABCHH's low country and adventure cruises.
