

**Welcome!  
Richard and Libby Atkins**

We are from Atlanta and have been coming to vacation at Hilton Head for years. We both retired a year ago so we decided we wanted to move here permanently. I was a tax partner in a CPA firm and Libby was a pharmaceutical sales rep for Abbvie. We have one son. We both love to play tennis and travel. I love to fish and bought a boat last August to enjoy the waters around the island. We are looking forward to all the club activities.
