Joseph and Beverly Kyle

Beverly and I bought our first boat, a new 45' Sabre SX, 5 years ago. We, but largely me, cruised up and down the east coast, as far north as St Michaels, Maryland and as far south as Jekyll Island. And most ports in between.

This past October 1 we sold our Sabre and bought the pictured Lobster boat, now named 'DAISY,

after our dog Daisy. I love Daisy more than the boat, but it is close. DAISY was built in 2005. I knew I was going to buy her just as soon as my Sabre sold. So all summer I've worked in partnership with the Sabre dealer upgrading her. Now she's docked behind our house where I continue to work on her. Yesterday I started installing new stainless portholes and hatches with the help of the wood worker with whom I worked this summer.

That's Beverly sitting in DAISY's salon, Daisy dog is in her lap and that's me hanging out the helm window.

Julie Taylor

Julie Traylor retired to Hilton Head in 2014 from Northern Ohio where she and her husband raised their two children and spent many summers boating on Lake Erie.

She is a member of the Yacht Club of Hilton Head Island serving as editor of their newsletter and also volunteers for the RBC Heritage. Besides boating, her passion is traveling. She also enjoys playing cards and reading. She has been captaining her boat, Salt Time for the last few years and looks forward to boating adventures with ABC.

Noel Wendt

I'm originally from Australia and started boating at the age of 12 when my Dad bought a smallboat. I loved it from day-1 ❤️

I moved to Toledo OH in 1996 and boated on Lake Erie for 25 years. I joined Bay View Yacht Club, and was Chairman of the Board in 2021, the year before I moved here. The last boat I owned there was a Formula 37PC, but sold it because it would not have been suitable here in salt water.

I looked at options for boating, and in the end decided that for now I would join Freedom Boat Club as means of getting back on the water and learning the waterways around HHI.

I'm excited to meet other members of ABCHHI and get more involved.
