The Sparkplug Award is awarded each year to the new member who has contributed noteworthy time and effort to the Club. This year the Sparkplug Award we presented to **Jim Iannacchino**. One of Jim's contributions has been the ABCHH Facebook page.

The Lowell G Ward Award is presented each year to a member who, over time has continuously performed above and beyond their regular responsibilities and for demonstrating a positive attitude that inspires others. This year the award was presented to **Paul Hoyte**. As Webmaster Paul does so much for our club. His top notch technology knowledge has been a tremendous asset to the club.

The Commander's Cup is presented to the "individual in the squadron that typifies the best of the best and who is chosen on the basis of character, participation, merit and contribution to the growth and stature of our squadron." This year the Commander's Cup was presented to **Bob Newbert**. Bob has given us so many opportunities to explore and understand the Low Country through his tireless dedication to boat ABCHH cruises. His knowledge of Low Country history and navigational skills has given us a greater appreciation of the area.
