

Ingrid and Rodney Peterson

We are originally from upstate New York, near Saratoga. We moved to Hilton Head five years ago after visiting for a few years. We have four children, two that live in Charleston and two still live in New York. Ingrid is a retired Literacy Specialist and Special Education teacher. Rodney works as the Front Desk Coordinator at the Owner's Club. We enjoy boating with friends and spending as much time as possible on the water.

On the beach.....my happy place
