

Archie Collins

President and Chief Executive Officer

Tampa Electric

Archie Collins is president and chief executive officer of Tampa Electric.

Collins has more than 30 years of experience in the energy industry. He began his career at Nova Scotia Power in 1990, and he has held increasingly senior roles since then. Prior to joining Tampa Electric, Collins served in leadership roles at Nova Scotia Power and Emera Energy, as president and chief executive officer of Grand Bahama Power Co., and as president and chief operating officer of Emera Caribbean. Most recently, he served as chief operating officer of Tampa Electric.

Collins is a professional chemical engineer, and he holds a Bachelor of Science in Engineering from St. Francis Xavier University and a Bachelor of Chemical Engineering from Dalhousie University.

He sits on the boards of the Florida Council of 100 and of Enterprise Florida. He also serves on the boards of Southeastern Electric Exchange, The Association of Edison Illuminating Companies, Florida Reliability Coordinating Council and Tampa Theatre.
