

Global Business Services Center New Associate

Ricardo “Ricky” Andres, SQL DBA/Developer

Ricardo “Ricky” Andres joined TCG Consulting's Data & Analytics Team and is based out of our Global Business Services Center in the Philippines. Ricky brings to his SQL DBA/Developer role over 14 years experience in a variety of SQL administrative and developer roles, working on data base development, data migration, consolidation and change management communications.

He has a wealth of experience in operating various technology platforms such as SQL Server, Qlik Sense, SSIS among others.

Management Services New Associate

Jackie Barker, Senior Consultant

Jackie Barker has joined TCG Consulting working as a Senior Consultant-Travel Manager within the Management Services Practice. Jackie is based in the Charlotte Headquarters office and comes to TCG with more than 25 years of Travel Operations Management and Administration experience.

She has a wealth of applied knowledge and skillsets working across different reservation systems, providing leadership, and customer service support. Jackie previously worked at HRG where she was responsible for managing an operational team of 15 agents supporting the Wells Fargo account. Additional experience and expertise include Corporate Travel Management, Sabre/Apollo Reservation Systems, and Concur Travel.

Jackie has also overseen the development of meeting venues and cost analysis, negotiated supplier agreements and has a working knowledge of TripPASS™ and Nucleus Systems.
