## LFNO STAFF APPRECIATION WEEK

Staff Appreciation week is an opportunity for the LFNO community to recognize the efforts of those people that make our school truly great – the educators, administrators, counselors and security officers that contribute to the development of our students day in and day out. **While this can be a special way to show our thanks, there is absolutely NO requirement to participate in each of these events, and no pressure to spend financial resources on individual gifts.**

Home made cards, trinkets, and in person words of THANKS are encouraged! Please contact Steph Strain, [stephstrain820@gmail.com](mailto:stephstrain820@gmail.com) or Holly-Anne Palmer, [hollyannedirector@gmail.com](mailto:hollyannedirector@gmail.com) with any questions!
