

3.29.19 - Être Community Resources

Please read to know more about this amazing Lycée neighbor in the P-Town neighborhood, and if you see her, say hi!

Community Spotlight: Interview with Nicole Bluie of Community Commitment

HOW LONG HAVE YOU LIVED IN THE CARROLLTON AREA? WHERE DID YOU GROW UP?

I was born and raised in New Orleans in the Pension Town neighborhood. The only years away were those spent at LSU in Baton Rouge where I received my Undergraduate degree in Psychology and my Master's degree in Social Work.....

Alliance Francaise Event - Sunday March 31. La Guinguette

La Guinguette - Party with Live Music Party, dance, have fun, listen to French music, and even learn a few dance basics at La Guinguette with the Alliance Francaise de la Nouvelle Orleans, in partnership with Dance Quarter and Mindsteppers. Includes a glass of French wine and amuse bouche. Free for children under 16 with an adult. please consider purchasing your tickets in advance [here](#). It will help us to anticipate - and I will sleep better as well;-). Tickets are \$20 only for member (\$30 for a couple) and it's free for kids!

Get Ready for the Bike Easy Challenge!

The aim is get more people to rediscover the joys and the benefits of riding a bike. The challenge groups workplaces together to compete against other companies and groups to see who can get the most staff to ride a bike at least once during the month. Even if you ride a bike for just 10 minutes at lunch time one day that will help increase our score and it will put a big smile on your face too! You can also win some great prizes like a bike, restaurant gift cards and more. Please sign-up and join our team here: lovetoride.net/bikeeasy.

Girls Who Code - Summer Immersion Program

SUMMER IMMERSION PROGRAM

Dear Friend of Girls Who Code,

Our 2019 Summer Immersion Program application is now OPEN!

The Girls Who Code Summer Immersion Program is a **FREE 7-week** introductory computer science program for 10th-11th grade girls going into their junior or senior year of high school. During the 7-week program, girls learn about computer science, gain exposure to technology careers, and join a sisterhood of girls who are using computer science to become change-makers in their community.

We also offer stipends of up to \$1,400 to cover transportation and living expenses to those who qualify.
