### **SAVE THE DATE FOR BOOSTERTHON AT THE JOHNSON CAMPUS – MARCH 29**

In ONE MONTH we're partnering with the experts at @Boosterthon to power our Fun Run program at the Johnson Campus, making our fundraising easier, more profitable, and more fun! Check out this video for a brief overview of #Boosterthon.

The Fun Run is a 9-day program, during which time the students will enjoy daily pep rally's at school around the character theme, collect pledges for the run and the actual run taking place on March 29. The Boosterthon team will build the Fun Run track at the Johnson Campus. It will be designed in such a way that every student can participate.

Families can help students getting pledges for their laps through an online system or a pledge book. Regardless of financial participation, every student is invited to participate in the entire Fun Run program.

Every student will experience Boosterthon's newest character theme, MINDSPARK MYSTERY LAB—it combines S.T.E.A.M. skills with character-building, which was developed in collaboration with CHARACTER COUNTS!®, the nation's most reputable character ed organization.

The goal of this program is not only to raise funds, but also to build school spirit. It has been proven very successful at other schools and we look forward to working with the Boosterthon team to create a successful and inspiring experience for our students!
