The National Center for Missing & Exploited Children (NCMEC) *(Attending the Virtual Event)*

NCMEC is a private, non-profit corporation whose mission is to help find missing children, reduce child sexual exploitation, and prevent child victimization. NCMEC works with families, victims, private industry, law enforcement, and the public to assist with preventing child abductions, recovering missing children, and providing services to deter and combat child sexual exploitation. We are the nation's largest and most influential child protection organization. We lead the fight to protect children, creating vital resources for them and the people who keep them safe. www.missingkids.org
