## **Monarch Beach Market Features New Dining Options and Amenities**

*Specialty Market Features Gourmet Food, Wines & Craft Beer Options*

**Monarch Beach, Calif.** (August 24, 2017) - Don't let its name fool you. Monarch Beach Market is much more than a traditional grocery store and deli. The upscale coastal-themed market with fine food, wine and craft beer on tap recently opened an indoor dining area featuring two HD flat screen TV's with sports and children's programming. A new outdoor, dog friendly patio space in two separate sections is now completed.

Longtime store manager Gilbert Santillan says, "Patrons can enjoy the dining spaces beginning with a variety of delicious hot breakfast options (served all day) and fresh juice bar with signature drinks tied to various health benefits such as Salt Creek (Refresh), Strand (Restore) and the T Street (Revitalize). Our delicious Stumptown Coffee is organically grown in Portland, Oregon."

All other menu items are also served all day with most sandwich, panini and salad options available by custom order. Monarch Beach Market offers the highest quality meats and cheeses from Boar's Head Delicatessen featured along with several vegetarian menu options.

The instore dining experience is capped off with a wide selection of fine wines, spirits and local craft beers on tap. A few of their 30 small batch craft beer options include Russian Reserve, Bourbon County Dogfish Head and local brewers Pisa Pour, Left Coast and Kern River.
