◆ Chamuel & Charity ◆

Tucson, Arizona

We Bring the Charge of the Secret Love Star to Bless You

You are invited into the Heart of Chamuel and Charity so that We might abide together, one and all, in the Fullness of the Love of God, giving Glory and Gratitude to The One, The Almighty, for embracing us in the Fullness of the Light of our God Presence, in the Heart Flame of the Love of God, and in the Perfection of the Purity that allows us, one and all, to stream forth the God Presence that is the Individual Mighty I AM Presence — both of the unascended Sons and Daughters of God presently engaged in putting on the Garment of their Christhood, as well as those Ascended and Cosmic Beings throughout the Kingdom of God. Thus, one and all enter into the Family of God, an undivided part of the magnificent God Perfection of The One.

As We begin our annual Celebration commemorating the Sacred Outpouring of the Secret Love Star during this first Sabbath Week, We commend you to put on the Garment of your Christhood, establishing the Purity of God Consciousness, the Harmony of your own emotional body, the discipline of your physical body. Thus you are charging each of these vehicles with the Light of your Mighty I AM Presence and the overshadowing of your Holy Christ Presence so that you might *abide* in the Presence of God, knowing who you truly are.

Those who have long entertained separation from God find themselves going the way of human consciousness, caught in the riptides of mortal thought and feeling that abound throughout the world that are not in keeping with the Office of the Christ. These lifestreams must strive mightily to bring about their own Christhood!

Every Heart knows when its vehicles are out of step with the Perfection of God! For signs are shown to you in the midst of all manner of situations that occur in your life — conflicts with the lifestreams you come in contact with, the unhappy thoughts that come through your mind. Those, blessed ones, that are not in keeping with the Purity of God, the Love of God, the Will of God will not allow for the figure-eight flow of the Threefold Flame to so saturate your outer vehicles as to allow the donning of the Garments of Light that establish the Christ Consciousness within each of your lower bodies that are intended to be the incarnation of your Christhood.

Life in incarnation, blessed ones, was never intended to be born out of negativity, of crassness, impurities, all manner of conjuring of the human will, the human mind, and the physical body absent the pressure of Light that is the natural estate of the Threefold Flame of the Sons and Daughters of God and Children of the Light. And thus, over many incarnations, the reviving of those discordant momentums, giving energy to them, and revolving their destructive patterns have built up ever more powerful incrustations of peril, looming over most of mankind and keeping them from even knowing the difference between right and wrong, pure and impure, perfect and imperfect.

Little do they know, oftentimes, what it is to stand in the direct Outpouring of the Light of God, feeling its Charge come over them, recognizing the upliftment, the élan within the consciousness, the Harmony and Peace that abides within the Presence. Sadly, it oftentimes takes many catastrophic events to awaken them to turn their attention toward God instead of all of the minutia of human consciousness that abounds throughout the world, that acts *mightily* to tear them away from their Christ Consciousness and the Truth of their God Identity.

So you see, blessed ones, when We, the Archangels, come with our Legions, it is to assist you in *stripping away* human riptides and *freeing you*, by our very Presence in your midst, and reminding you of the Divine Flame that is the Natural Estate of your own Threefold Flame, enabling you to *stand* in the Presence of God, *to be* a Pillar of Light, to *expand* your awareness of the Crystal Cord Energy that you receive daily that will enlighten your consciousness, will Charge your emotional body so that the Light radiates sufficient Harmony and Peace that no inharmony can abide!

You will find that when that Light saturates your physical body, there is not a yen for you to participate in negative pursuits. Even the tiniest cells within your physical body will become so saturated with Light that they will spin faster and faster until the Light shines forth as a visible radiance from your skin! And the Radiance of the Light shining forth from your eyes and the depths of your Being in the Heart of the Christ shall be most evident to many.

Meanwhile, those who know not God, those who have not practiced and *pursued* the very Presence of God continue to find themselves in a state of wilderness, of duality, many times not even knowing that God exists. Such a travesty! For their own Mighty I AM Presence is ever close at hand so that within the blink of an eye, their Presence *can* and *will* participate in their active life. To them we say, “When you have disciplined your consciousness to allow the Threefold Flame to *fill* your outer vehicles and weave that Garment of Light, you too shall prepare your Chalice for the Most High, your Mighty I AM Presence.”

And it matters not your history, your karmic past negatively ensuing from those areas of life which have been *outside* of the Purity, Perfection, Love, and Will of God! No, blessed ones, that does not count any longer, for you are given a cycle to redeem those karmic entanglements by invoking the Violet Flame, the White Fire of the Mother Light, the Emerald Ray, the Ruby Fire, and establishing the Blue Flame of the Will of God to *fill* all that is transmuted so that the Will of God comes naturally to you!

You do not have to struggle to bring forth the Light of your Threefold Flame, even unconsciously, once you have transmuted the karmic patterns that have encrusted your vehicles preventing you from *feeling* that Charge of Light! Ultimately, blessed ones, more quickly than you could imagine, with each day’s Transmutation, you begin to build up a Momentum of the Light of God, your own Identity in the Christ and the Mighty I AM Presence, establishing all that is Good, Holy, Sacred, Pure, and fostering the creation of Perfection through all that you bring forth!

All this, blessed ones, is continually entrusted into your keeping as you give forth the Gratitude of your Heart in Love and Compassion to the Mighty I AM Presence, to the Ascended and Cosmic Beings, to The One

Almighty. You will discover that the return current in a figure-eight flow keeps you refreshed, renewed, resurrected, and establishing even more of the Light and Momentum of your own Threefold Flame to truly feel the Presence of God.

Many times you have encountered circumstances in your life that are most challenging, where you need help and assistance. Where will you turn? First and foremost, you turn to your own Mighty I AM Presence! And you call forth the Light of your Threefold Flame as the Christ to set in motion the vibration through your outer vehicles to prepare you for *withstanding* the negatives while simultaneously *holding fast to the Light* of your Mighty I AM Presence that will release through you to deal with the circumstance, will give you clarity of mind, will give you abiding Peace and Harmony, will allow you to have the Fullness of the Strength and Courage to move forward in the Light of God! For that is where the Victory comes from, blessed ones, not outer circumstances!

Though your Presence and the Holy Angels in your midst may guide you to take a step in this direction or that, to speak this word or that, you yourself must generate an intense determined Momentum that you establish with your Mighty I AM Presence and the Ascended Masters. You must raise up the Kundalini Fire to press through the Crown and so enlighten the Crown Chakra that you have the ability to receive the Divine Direction on the instant that you require. And you must keep that rolling Momentum going until the job is done!

This dynamic action of abiding within the Presence doesn't just happen on occasion. Your whole vehicle of consciousness is intended, by the Radiation of the Threefold Flame upon the Altar of your Heart sustained by your own God Presence, to be ever in Communion and for this Communion to so *fire* the spiritual centers of your being that you are never in a state of duality or absent the very Presence of God that you so require. And believe me, blessed ones, when I tell you, *you do require the Presence of God!*

You must constantly abide in the Presence in order to fulfill your Fiery Destiny of the Ascension in the Light! And if you do not know the Ascension is to be the foremost Divine Goal for your lifestream, consider the participation of the Torch Bearers of The Temple® and those in attendance to the recent release of Purusha, inviting you to be a part of the Ascension

of one of your own, thereby receiving that Charge to accelerate *your own body temple!* For the Divine Purusha bridged the gap, opening wide the Opportunity for you to receive that Momentum of blinding Light and the Charge of the Ascension Current coming forth!

Those of you with great sensitivity knew exactly what was happening on the instant. You did not have to be told. You felt the Charge bursting, first and foremost, through the Threefold Flame and then the acceleration of your own Mighty I AM Presence accelerating its Charge of Light in your physical, emotional, mental, and memory bodies so that you would experience it firsthand. For those who perhaps did not quite understand or experience it fully, go back, reengage in the Release once more so that you have the opportunity to enter into the Akashic Record and revivify that Record and Momentum which will for all time stand blazing as the Opportunity of the Ascension for every Son and Daughter of God!

The Archangels, blessed ones, having been called to assist, each one bringing their Gift and their Momentum that They stand to fulfill for the Almighty, The One, for those holding the balance within the Secret Love Star, for the Law Giver, the Nameless One, and most especially for Alpha and Omega. That Charge, blessed ones, *you* can look forward to with your own Ascension in the Light! And the reason I have addressed you this day is to remind you not to lose sight of what you have been engaged in by way of this actual Ascension in your midst, which shall forever stand as a glorious acceleration in your own life, so that each step you take in Glory and Gratitude, Love and Commitment to your own Mighty I AM Presence has a *definite Divine Purpose* that you hold fast in the forefront of your consciousness!

Every erg of energy of your being comes from your Mighty I AM Presence conveying its Love and that Commitment to your lifestream. Strive to put on the Garments of Peace and Harmony, of Purity and Perfection, establishing the Momentum of the Diamond Heart of The One, The Almighty. Allow your own Mighty I AM Presence to revivify and establish that Current of the Diamond Heart as a focal point that you hold fast to and carry out through the remainder of this incarnation so that you are in the right place, at the right time, in the right Vibration of God, wearing the Garments of your Christhood.

Now, there are many across the world who do not believe in God, do not believe that the Ascension is a priority in their life. But tell that to someone who has participated in the Ascension of another whom they have known personally! Tell that to someone who has been a part of the Momentum of Ascended and Cosmic Beings that have come forth! Those that have not, know not of what they speak. For many times, as you have experienced, it is one thing to know something intellectually, and it is wholly another to be a part of the Activity of Momentum, of *feeling* and *knowing*, internalizing and receiving the Charge of the Presence of God within you that is unmistakable!

It is your Responsibility to win your Ascension in the Light! Your Ascension is the culmination and fulfillment of all of the Momentums that you have brought to the fore over your many lifetimes. Your many Victories build up to that Ascension! For yes, blessed ones, the final Victory builds on the many Victories that you establish in your many incarnations. That is why you have a Causal Body that is protecting and holding for you — until you are prepared to utilize wisely — all of the Good, all of the Light, all of the Momentum of your own Threefold Flame that you have established since your first incarnation and yes, before! For your Causal Body also has all of the Momentum of your own Mighty I AM Presence that has been established before even your first incarnation.

Your Presence didn't just *blink* into existence and send you forth! Your Presence had already established a rich and Glorious, Holy and Sacred Momentum in the Allness of God in the Great Central Sun! And that was to be imparted to you by the Office of the Threefold Flame of your Heart, which is the extension into form of the Heart Flame of your own Mighty I AM Presence! Think of it, the identifying Keynote of your Mighty I AM Presence's Heart is the identical Threefold Flame abiding in your incarnate lifestream! It maintains its rarefied, pure atmosphere, sometimes referred to as the "Secret Chamber," but now known as the "Sacred Chamber" of the Heart.

Ofttimes, however, the lifestream who is more embroiled in negativity, throughout their many incarnations, will *silt* over the access to that Heart Flame in their physical, emotional, mental, and memory body. Then they do not have the Touch, the Charge through their outer mind of Illumination's

Flame, of the Current of the Blue Flame of the Will of God established within them to show them the way, or the Love of God to remind them of the Truth of their Identity as an undivided part of the Whole of the Divine Family.

As the Secret Love Star shines forth throughout this cycle of the year and as the Holy Days established by the Ascended and Cosmic Beings are celebrated and practiced here at The Temple of The Presence,[®] each weekly Keynote is radiated and accelerated far and wide across the world, anchoring the constant Momentum of the shining forth of the glorious acceleration of the Secret Love Star. The Archangels and Archeiai send forth their Legions of Angels to catch the Charge of the Secret Love Star and carry it forth to bless you, the Sons and Daughters of God! Likewise, the Elohim establish their Momentum of acceleration through the Elemental Forces of Nature, building God Good upon the Earth. Finally, the release of the Secret Love Star is amplified at the Hand of Alpha and Omega.

Blessed ones, this is the means whereby the Ascended and Cosmic Beings carry out their Service of God in Life to *your* Heart Flame, to *your* Victory, *your* Ascension in the Light. They engage with this Momentum of the Secret Love Star, then transfer it to you, to be internalized within yourself, thus accelerating your own Momentum in the Light of God. And that same service is rendered to the entirety of the world. Still how much more powerfully it is *embraced* by the Torch Bearers of The Temple and those who have come to know and accept consciously this great Momentum of Light from the Sacred Altar of the Most High.

You, blessed ones, have each day during this coming week to put your attention upon God Gratitude, filling the cornucopia of your life as the cell structure of the emotional body, the mental body, the memory body — from the level of Akasha, your own Causal Body, the Electronic Body, the Mighty I AM Presence — full to overflowing with all that is released by the Secret Love Star to assist you in the remembrance of God Love and the Gratitude that you and only you are able to give your Mighty I AM Presence for the very Life that you are living! For the very Love that pours forth through you to God in Life! And, blessed ones, remember all that The One, The Almighty, The Great I AM, the many Presences of God throughout the Kingdom of God will establish. For that

Love cannot be *stripped away from you* as long as you maintain Purity and Perfection, Harmony and Peace, the consideration of Love that you give to God in Life, to the many Sons and Daughters of God that know not how to search for that Love, or even to receive it. You can hold the balance for them with your Love.

You have Calls that have been composed by the Ascended Masters through the Anointed Representatives® that you can give at your altar and at this Altar at The Temple and even if you are far-removed in other parts of the world, *through* the blessing of modern technology that is available to you. One and all, you can come together in the Voice of God, letting that Charge reverberate through the very Chalice that you are establishing, bringing to the fore every step that you take, Perfect and Whole, in the Charge of your Christhood, establishing the pathway, sure and straight, to your Ascension in the Light!

Let the Blessing of your Heart *stream forth* to God, as God's Mercy is constantly holding you in the Heart of the Allness of God and preparing the way for you to know God and all that is God in your life.

Stand tall! And abide with God throughout every day of your life and you will know God, intimately, and for all time! *Be in* that Presence of God.

Chamuel & Charity

Public addresses to the Students presented in *The Voice From The Temple* have been prepared by the presiding Master for release in written form for our present use and for posterity.
