

## *Pax Providentia! Is the Call!*

**B**lessed Sons and Daughters of God!

When my Legions of Angels enter into the atmosphere round about you, you have nothing to fear! You are protected on all fronts so that you might have the Opportunity to bring forth the Fullness of your own Mighty I AM Presence!

This Action, blessed ones, comes forth when you are standing in the Fullness of the White Fire of the Kundalini and raying forth the Threefold Flame of your Heart so that you, in your Office as the Christ, are holding fast to the tethering of your own Mighty I AM Presence, and thus, Commanding by your Direction all that is necessary to come to the fore for your Protection and Momentum to be fulfilled, thanks to the Angels that are assisting you!

Perhaps you have thought that the Angels are doing all the work. But that is not the case. They are coming so that you might have a greater opportunity to bring to the fore more of the Mastery that your Mighty I AM Presence desires for you to achieve. If you are wanting in any of the God Qualities or Virtues of the Christ, there will be a delay in furnishing your lifestream with all that is required for you to be able to embrace the Fullness of the Fire of God, for the Light of your own Electronic Body to stream forth at your Command. The Communion of your own Heart Flame, issuing the Command of the Christ, must engage in the Fullness of

Harmony and Peace! For absent that Harmony, that Peace, there is such agitation that there is not the direct, specific Current of your Invocation going forth, which must first flow forth from your lifestream to the Mind of God, the Will of God, in order to invoke the Divine Outpourings from your own Mighty I AM Presence, or the Ascended and Cosmic Beings, that are necessary for you to achieve the Victory!

It is important for you to have this understanding, blessed ones, for we are coming upon a cycle where the Freedom Conclave will impart all that you in your foundation of Divine Providence *can* and *will* anchor in the right cycle and right time according to the Will of God. *Pax Providentia!* is the Call! And when our Momentum of our Angels goes forth, they will be guarding you, protecting you, so that *you will not* fall sway to any lesser state of consciousness or vibration than that which is the Divine Intent of your Providence, in coming forth as the Mighty I AM Presence and incarnating in the Earth as the Christ.

Long you have wandered in a state of wilderness, not truly anchored in the Fullness of your Christ Consciousness, not having the Power of the Will of God or the Mind of God fully engaged at all times. By the Blessing and the Mercy of God, there are those occasions when you are filled to overflowing with the Momentum of your own Heart Flame and the Mercy that God has bestowed upon you, to get you through a personal struggle or a threat of greater harm to your lifestream.

But, blessed ones, that is not the whole and the intent of a given lifetime! You are to be the Fullness of the Christ Consciousness so that every moment of every day you are filled with the Charge of Light that affords you the Divine Protection of your Mighty I AM Presence. And that is what our Angels will be providing for you during this buildup for *Pax Providentia!* so that you can have the Fullness of the Momentum of the Divine Intent of your Mighty I AM Presence peeling forth everywhere throughout your lifestream, mentally, emotionally, physically — all resonating in the Vibration of the Light of the Christ.

Throughout the ages, you have had many opportunities to receive our assistance. Some have indeed welcomed that assistance, and they have been grateful for it, having recognized that they humanly could not afford themselves the protection which they needed.

But you, blessed ones, have a greater understanding of what it means to be in the Presence of the Archangels and their Legions of Angels. For you are already vested with the Light of the Threefold Flame of your Heart, unfurling that Banner, and embracing the Angelic Kingdom in your midst! As you do so, you are accelerating the Momentums they are bringing to you as Attainment and Mastery, for you have welcomed them! You have engaged in that Momentum, whether it be the Angels of the Blue Flame of the Will of God and God's Power, or Illumination's Flame and the Angels of Illumination, or God's Love and Momentum with Chamuel and Charity. All of these Angels, blessed ones, carry the Charge of the Momentum of God that cannot be defiled or changed in any manner and which you are able to sustain by your communion between them and *your* Threefold Flame of *your* Heart.

So the exercise for you in leading up to the Conclave of the July Conference and Acropolis will be to practice engaging with the Angels in your midst, making yourself available in word and deed, in vibration, recognizing that every moment is an opportunity for you to expand the God Quality that is being afforded to you. And as you require greater protection from the human consciousness that abounds throughout the world, *you will be blessed beyond measure* with that which you receive — if only *you are establishing within yourself* your commitment and surrender to your Mighty I AM Presence and your resolve to be that Presence of God in Manifestation where you are!

That is the Office of Christhood! That is the Divine Right that you have been given as you walk the Earth! And as you do so, you are able to pour forth your Heart to assist others in the compassionate Love of God, the Wisdom of showing Divine Direction, and the wherewithal to bring about Illumination to assist others in building their life and their Momentum on the Rock of the Christ! Recognize, blessed ones, that the Blue Flame of the Will of God comes with the enormous Power of God, and as that transfer of Power comes forth, you begin to realize that you have within you such enormity of Momentum you hardly know what to do with it. And thus, you must be wise! There must be Illumination's Flame and the Mind of God directing that Will and that Power. There must be the Harmony and Peace so that you are not misusing it destructively in any manner by requalifying the Charge of Light that you have been entrusted with.

And likewise, blessed ones, when you desire for your own physical body to be able to hold the Fullness of the Charge of Light, hold the Fire of your Mighty I AM Presence when it is transferred to you to fulfill the Fiery Momentum for the Victory, you must be prepared! You must have a vehicle that is ready to receive it! You do not languish through life, thinking that at the appointed hour, God will make up the difference! You are *preparing* each day in all of your vehicles to stand in the Light of God and to be Fearless as you move forward in drawing upon the Power, the Will, the Love, and the Mind of God!

How blessed you are to have the Threefold Flame of the Heart that is the Heart Flame of your own Mighty I AM Presence! How glorious it is for you to be surrounded by the Angels that come in the Body Consciousness of God, in the purest and highest Vibration that can be drawn forth from The One, The Almighty! And that direction, blessed ones, of the Archangels and the Archeiai is for your benefit, drawing upon these Angels so that they can embrace you, comfort you, teach and instruct you, all the while the Threefold Flame of your Heart is reaching out to them and communing with their Light and Momentum.

So do not think for one moment that the Angels will always be the Doer. It is your Mighty I AM Presence through the Threefold Flame of your Heart as the Christ that is the Doer, the Action, the Momentum, and the Light that comes forth for you to achieve all that you are to manifest in this lifetime. Recognize, blessed ones, that there is much for your Presence to do through you!

Even though every day seems to be piled up with greater and greater things that must have your attention, the highest of priorities, blessed ones, is to have your attention upon God! And when that attention is fully fixed and in the forefront of your consciousness, you begin to realize that the natural flow that *automatically* is established *through you* is the Christ Vibration! And you want for nothing save to be in that Vibration, to have that Holy Estate of God coursing through you, so that you are in Communion not only with the Angels but with the Archangels and Archeiai, with the Ascended and Cosmic Beings, with your own Mighty I AM Presence!

Throughout the world there are many lifestreams so in need of what you have received — the Blessings, the Teaching, the exercise and experience that you have gone through with the Ascended Masters addressing you from this Altar and engaging with you throughout the whole of your day! And when you have received the Charge and the Momentum of their Light, their God Consciousness, and absorbed it into your outer vehicles, it has stepped you up, each time, into a new Vibration of the Light of your Christhood. And the same is true, as I have already said, of the Angels in attendance to your Flame.

So do not take for granted all of that which continues to pour forth to assist you! With the Wisdom that you have received of Cosmic Law and the understanding of your own Mighty I AM Presence comes a Responsibility to put into action that which is the Will of God, the Wisdom of God, and to send the Love of God flowing freely, unconditionally, to all of Life! For, blessed hearts, there are so very many lifestreams who have such a *hunger* for Love! And they know not where to find it. And they go looking for Love from other lifestreams where they find only degradation and misuse of the Light! But the True Love that they search for and desire is the Love of their own Mighty I AM Presence! And when they finally find the Love of God, all that flows forth through their Heart Flame of God Love cannot be contained and must be shared, must be given forth to the Flame of God wherever that Flame resides!

As you move forward in preparation for the Freedom Conclave, recognize, blessed ones, that each day you will be tested: Have you remembered your Presence this day? Have you put on the Garment of your Christhood? Have you established the pattern of thought that would allow you to remember the Angels that have come from Archangel Michael's Legions to attend to your lifestream? Have you prepared the Vibration of Harmony and Peace to be registered, fully and completely, throughout the entirety of your day? Then as you rest at night, you will no longer be racked with all manner of discouragement, struggle, pain and suffering, because of whatever discord you allowed to register in your world throughout that day.

Instead, blessed ones, that day has been an experience in the Light of God! And you have completed your responsibilities in the Fullness of Freedom and the ability to draw upon the Christ Virtues, the God

Qualities, and the Momentums of your Mighty I AM Presence, to fulfill every Necessity of the Law! Then, as you drift asleep, you are most aware that you are held in the Hand, the Heart, the Mind, and wrapped in the Arms of your Mighty I AM Presence! Then off you go to one of the Retreats of the Ascended Masters to prepare for the next day so that when you awaken, there is a newness about that day that has not been before. And in that newness you discover *you* have embraced a *new* idea, a *new* Consciousness, a *new* Momentum of God Reality. And the Harmony that you exhibit by recognizing this closeness that you have established, even while sleeping at night, is an acceleration that carries you through the day!

Oh, blessed ones, how glorious it is that *you know* of the Mighty I AM Presence, that *you know* of the Ascended and Cosmic Beings, and have embraced Them! That in itself should give you such exhilaration in life, Joy and Harmony that you embrace. You cannot wait for the new day and all that your Presence has to share with you!

So as you embrace, blessed ones, every day, most especially leading up to this Conclave and Acropolis, recognize that you are preparing the pathway to receive a greater Momentum of the Divine Providence that is intended by God for *your* lifestream. For your Mighty I AM Presence has decreed that its Presence shall come forth into Incarnation and shall be anchored in the Threefold Flame of your Heart and shall fulfill the Victory of your Christhood!

Let the Light of God shine so brightly through you that you miss not one cycle, not one opportunity in your day to *breathe in* the Breath of Life, the Light of God, and the Momentum that the Angels bring to share with you! Having prepared your Chalice for the closeness of their presence, you are ready to move forward step-by-step with every action, with every thought, with every emotion that you exhibit in your life, charged with Peace and Harmony so that there is that Momentum going forth upon the Earth from your lifestream, as the Christ, carried by the Archangels and their Legions, *expanding* and glorifying God everywhere!

Throughout the world there will be many who will know of the Presence of Archangel Michael and my Legions of Angels. They will address themselves *directly* to my Momentum and my Office, recognizing that Archangel Michael has once more entered the Earth! I never left, but to

them, they were separated from God sufficiently to think that they were cut off from my Protection and my Legions of Angels!

You, blessed hearts, know the difference, and you know the Momentum that comes forth with Dispensations from the Lords of Karma and the Cosmic Councils for each of the quarterly Conferences that come to bring you *new* Momentum, *new* Instruction, and a greater acceleration in your Christhood, marching toward the Fullness of your Ascension in the Light!

Let that Light so shine that it is unmistakable to anyone that would look upon you! May they recognize that you stand in the Light of the Christ and therefore they too desire to know what it is that brings you such Peace, such Harmony, such Light in your eyes!

Let the Light of God shine forth and not be hidden, but displayed for all to know that the Presence of God is upon the Earth and that the Golden Age is coming into fruition through each of the Sons and Daughters of God putting on the Mantle of their Christhood!

*Be sealed with the Protection and the Blue Flame  
of the Will of God of our Angels as you commune and  
move forward through the coming days in preparation  
for Pax Providentia!, knowing that Divine Providence,  
blessed ones, is coming forth for you to know and to Be!*

*Archangel Michael*

Public addresses to the Students presented in *The Voice From The Temple* have been prepared by the presiding Master for release in written form for our present use and for posterity.
