

We Celebrate the 30 Year Anniversary of The Temple of The Presence®

COMMENTS FROM OUR BELOVED ANOINTED REPRESENTATIVE, CAROLYN SHEARER:

Good evening, everyone. Welcome to this 30th year of the Anniversary of The Temple of The Presence. We are all gathered together under the Canopy of the Etheric City, shoulder to shoulder, heart to heart. And in the Fullness of our Mighty I AM Presence, we receive Beloved El Morya.

Blessed Sons and Daughters of God, Torch Bearers of The Temple®,
Far and Wide,

I, El Morya, commend you for your stalwart and steadfast commitment to the Mighty I AM Presence, first and foremost always, and to the Fullness of your Christhood to bring forth The Temple of The Presence, *your Temple*, blessed ones, so that the Golden Age can begin to flourish far and wide across the Earth!

Many of you have not considered how important your lifestream is to that fulfillment. But let me assure you, blessed ones, that without each and every Son and Daughter of God who has committed themselves to the fulfillment of the Will of God and the anchoring of their own Mighty I AM Presence in this incarnation, there would not be the fulfillment of the Golden Age! For the Golden Age requires *their* momentum, *their* striving, and their Mighty I AM Presence in all of its Glory streaming forth the Light and the Momentum of God!

Yes, blessed ones, your Mighty I AM Presence is far more expanded throughout God's Kingdom than you have considered! You see yourself in the mirror as this lifestream of flesh and bone, with a mind, a Heart Flame. But that is only a very *minute part* of the Truth of your God Identity. For your Mighty I AM Presence, standing in the Fullness of the Electronic Body streaming forth its Light Rays throughout the Allness of God, is bringing forth, blessed ones, all that is the Desire of God, The One! And you say to yourself, "But what of the Individual Desire of my Presence?"

Blessed hearts, the Fullness of the Allness of The One is so vast that in the Full Momentum of every God Quality, every Activity, every Manifestation that is to come to the fore, your Presence, when desiring with its Heart Flame and with the Momentum of the Mind of God to bring it forth, has a Limitless Banquet of the Allness of God to draw upon! And then the creative endeavor of your own Mighty I AM Presence comes to the fore. For your Presence is able to act upon the Whole of all that the Elemental Kingdom of God has established upon the Earth and bring about a Newness of Life, a Newness of Creation!

And that is where you come in, blessed ones. For you stand in the Earth, filled with the Light of God and the ability to draw forth the Mind of God, *to direct your attention* to manifesting everything that your own God Presence desires and has placed upon the Altar of your Heart for you to fulfill. The Threefold Flame of your Heart is filled with a passion to be the Will of God, to love God and all of God's Kingdom, and to bring about every detail of God Consciousness in the Purity and the Momentum that The One, The Almighty, has dreamed into manifestation by its very Heart sending forth the Mighty I AM Presence far and wide to complete the journey that you as the incarnate lifestream have embarked upon.

It is not an easy task to be in incarnation, to enter into a new body, putting on all of the activities, the learning and teaching about the physical world that you must embrace so that you can stand erect and tall and be Courageous and *Fearless* in all that you do. This incarnation, blessed ones, gives you the opportunity once again to draw forth in the greatest of Momentum all that your own Holy Christ Presence desires to unfold and spread forth for the Kingdom of God to flourish. You are establishing more of God with every thought, word, and deed, with every breath that you exhale. For it is that Consciousness, that Vibration of the Light of the

Christ that you are living, that brings about the anchoring of God, drawing forth through your Temple of the Presence all that is necessary to bring about the Golden Age.

When it came time to establish a new outpost of the Ascended and Cosmic Beings, an Activity that would continue to carry out the fulfillment of all that the very Presence of God desires, it was necessary to send forth into embodiment those Anointed Representatives who had the Desire upon the Altar of their Hearts to commit wholeheartedly to the fulfillment of that Mission, that Divine Outpouring. Likewise, at inner levels, you have received certain Instruction, certain Teaching, that would allow you to be drawn to the feet of the Ascended Masters, hearing their Instruction, their Teaching, and receiving the Momentum that They stream forth, effortlessly, for you to absorb into your consciousness and to *ignite* the Will of your Presence that is placed upon the Altar of your Heart.

If you follow the promptings of your Heart, then all of the creative outpouring of art, music, of building, of fashioning and forming life, to say nothing of what you must establish as the keeping of your own outer vehicles in that Intonation and Vibration of the Light of the Christ — all of your life, blessed ones, will be in fulfillment of the Will of God.

Thirty years! The Temple of The Presence, under the Canopy of the Etheric City and long before that, has been fulfilling all that the Ascended and Cosmic Beings desire to achieve through these Anointed Representatives®. This has been a great and momentous cycle! Perhaps you have not really considered what it takes to have two lifestreams come into embodiment, prepared and charged sufficiently to be able to be trained to serve as Anointed Representatives for the *Entire Spirit of the Brotherhood of Light*.

There must be a selflessness within them, to give all that they are into the keeping of the Mighty I AM Presence and to that which the Ascended Masters desire to be fulfilled. Likewise, there is the challenge of maintaining Harmony in a world where there is so much agitation and negativity abounding. And yet that Harmony when held, blessed ones, has been able to fashion and form that which you have realized as great Teaching and Instruction never revealed before to mankind, establishing a foundation upon which the Golden Age will flourish!

Future generations, thousands of years from now, will read and hear the Discourses and Dictations that are delivered by the Ascended and Cosmic Beings from this Altar! They, too, will begin to understand — if they had not already been trained and tutored by their parents or guardians when growing up — what it is to be in incarnation, what is the purpose of life, what is the Divine Destiny to be fulfilled, and what does it mean to gain your Ascension in the Light, to become an Ascended Master. All of the fabric of Cosmic Law that you have received and has poured forth effortlessly through the Anointed Representatives are the stepping-stones of the Victory for countless future generations to come! And there will be Anointed Representatives to follow in their footsteps, trained and tutored, just as they have been, so that they can pick up the Torch. The Torch Bearers of The Temple will support their Activity and their Momentum, and they will be able to continue to expand the Glory of God that is so necessary to come forth for the Earth!

Far and wide across the Earth, there are many lifestreams who are in dire straits! Many have not the food they need, the shelter, the resources with which to live the life that many of you as Torch Bearers of The Temple have become very accustomed to as a comfortable way of life. The most important thing that these multitudes are in need of, though, is the very Presence of God that you have come to know. They need the Christ Light pouring forth from the Threefold Flame of the Heart, the nearness of God that visits them by the Holy Angels in their midst, just as you received Archangel Michael and his Legions.

They know not of The One, The Almighty, that is the Progenitor and the Source of all that is to come forth, that flows forth in the Body Consciousness of God all that is to be and will manifest in the varied God Qualities and Virtues of the Christ, great dimensions of worlds beyond worlds — from the Great Central Sun, to the newness of stars just coming to be. All that exists, blessed ones, is attributed to The One. And each time there is a Mighty I AM Presence that steps forth and proclaims “I AM,” that Mighty I AM Presence carries certain Momentums it Desires to bring forth, manifest, and unfold those areas of life that are important to that Mighty I AM Presence.

Your very own Mighty I AM Presence, blessed hearts, has its Desires for you. It has a mission for you to fulfill. And that mission may not always be presented to you at the beginning of your life, but step by step, through

the many experiences that you go through, you begin to realize that the Presence has been guiding you all along, teaching and instructing you. Unbeknownst to your lifestream, you have been tutored in the way of the Christ.

When you found The Temple of The Presence and came to this Altar, little did you know in the beginning that you would receive all of the precise detail and Instruction as to the fulfillment of your incarnation that your Mighty I AM Presence desired. Revealed to you, daily, hourly, moment by moment, are those areas of life that you are to walk, and it is that Momentum of the Light of the Christ that you hold dear, that leads you ultimately to the Ascension in the Light.

Think of it, if you did not have The Temple of The Presence, would you know of all of the Cosmic Law that has been released? Would you have an understanding of the planes of consciousness? Would you know of the Secret Rays, of the Great Pranic Breaths, and of the Momentum established for you so that you have a body temple to charge with the Light of your Mighty I AM Presence? And that charging, blessed ones, takes place and occurs daily. For the Crystal Cord Light streams forth and fills your own Heart Flame and the spiritual centers of your life to entrust you with what is necessary to complete your Fiery Destiny. And Fiery it is, blessed ones!

For you cannot imagine how intense is the Fullness of the Fire of your Mighty I AM Presence when it streams forth from the Electronic Body. And yet that Fire is stepped down in the gentlest of Love and Comfort for you to receive. The streaming Patterns of God Consciousness filling your mind and anchoring their details of God Consciousness allow you to be able to fashion and form Designs and Momentum that you can count on as the direction to follow. And that Divine Direction, blessed ones, is anchored within the Will of God and established by the Power of the Will of God that you absorb within your emotional body, when it is firmly fixed in the Light of God and held in Harmony and Peace.

You have come to understand the physical body, thanks to modern science which has revealed much about how the physical body operates. But what has not been discovered as yet is how the Mighty I AM Presence and the Light Rays of God are fashioning and forming the cells of your body, clearing the bloodstream through your body temple, charging the nerve endings with Light, and the ability to heal that body temple by the Light of God.

All this, blessed ones, requires Faith in your Mighty I AM Presence. Trust that the Fullness that your Mighty I AM Presence will never forsake you, will never leave you, will always be there for you! And in all that is realized by your Heart Flame, the greatest gift of all is the Love that your Presence has for you! It surpasses all other loves, and yet it allows for you to love God in all of Life, love God in other lifestreams, in a spouse, or in your children, your community, your country!

God Love enables you, blessed ones, to have Love for the Work of the *Entire Spirit of the Brotherhood of Light*. For you begin to embrace that which is the natural flow of God's Kingdom and how it establishes by that Love and Momentum of God all that is Good! Recognizing all of this, blessed ones, you have stayed the course! You have been constant in your devotion. You have given the Vigil of Invocation and Affirmation to the Mighty I AM Presence and Ascended and Cosmic Beings to assist mankind throughout the world, to help the Sons and Daughters of God elevate their own consciousness and to be relieved of the burdens that they so often feel and endure.

All that you do, blessed ones, is putting a stamp of Reality throughout all the planes of consciousness: What you think is reverberating throughout all the mental plane. What you feel going on in your own emotional body is reverberating in the water element and likewise, the physical body of the Earth. So you see, as you stand as a Pillar of Light, you are elevating the vibration of the Earth itself, the water element, the fire. All that is established by the Mind of God, streaming forth through your mind, is charging and elevating the consciousness of the Sons and Daughters of God upon the Earth.

You see examples of it, daily, if you know what to look for. But if you do not have the attunement with your own Holy Christ Presence, you will miss all of the Good, all of the Glory that is being achieved! As you celebrate this milestone of Attainment in your own life and of The Temple of The Presence to reach this Victorious Culmination of the Thirty-Year Cycle, you must recognize that it is only the beginning. There is so much more to come!

I AM addressing you from the edifice of the new building that is being erected for your benefit and for the benefit of all who will come to gather together under one roof. Blessed hearts, the time has come, and it is ready to be completed! But as there are so many bureaucratic stumbling blocks

upon the Earth and in governments, there are always those administrative delays which slow down a process which you would otherwise have already completed.

So I, El Morya, call for the Vigil to be made, for the acceleration and the clearing of the way of all of these stumbling blocks, all of those areas keeping us from having the fullness of the realization and the wise use of this glorious building. You have done your part bringing together resources, and there is more that you will be doing. For that is already shown on the record of your lifestream and in your Causal Body. Likewise, the talent is already in motion for those areas that need to be built and constructed. But even so, without the authorizations that are necessary, there cannot be the immediate acceleration to completion. *One* approval in particular is holding up the next stage of work.

So I, El Morya, call for to you, to come together as the Torch Bearers and make the difference! It is your building, *your* Temple of The Presence, and it is your opportunity to make the Call. Why would I bring this to you tonight? It is to show you, blessed ones, that each one of *you have a Divine Purpose to be fulfilled for all that is to come about!* I have already spoken of the necessity of your lifestream to anchor the Golden Age and to establish all that is to come forth for thousands of years to follow.

Today, there is a newness of opportunity for the Light that you bear and your own Mighty I AM Presence to continue to make a difference! And this is one area, blessed hearts, where you *can and will make the difference!* Make the Call! Allow for the Fullness of your Heart Flame to allow for the Rays of your Mighty I AM Presence to go forth and establish what is necessary to get over this obstacle that is holding up this edifice so necessary for you! And I say, “for you,” blessed ones, for you will understand that when you are in this glorious building, receiving the Charge of the Ascended Masters, where your consciousness soars to the height of the ceiling and you have the ability to expand the Fullness of your own Threefold Flame to encompass, not just what is here, but elevating your consciousness into the Etheric City and beyond to the Great Central Sun!

Blessed hearts, you, one and all, have helped to establish The Temple of The Presence throughout the years — first the few and then the many. Coming with hearts of Fire, hungry and thirsty for the Teaching and the Presence of the Ascended Masters! And it is my Joy, as the Chohan of the

First Ray of the Will of God, that you Desire that Will to be manifest in your life, for there to be an acceleration of that which you have already felt stirring within your members. The Heart knows what it knows and desires, and that Will, together with the Mind of God and the Love drawing forth its Action, shall bring about all that is necessary to be fulfilled. This is the fulfillment of the Work of the Christ!

How glorious it is when I look out to the congregation and see those of you wearing your White Robes of Light, see the shining of the Light through the eyes, the clarity of your aura, and the Peace and the Harmony that you exhibit. That, blessed ones, is the mark of the God Good that has been established here at The Temple of The Presence. For you have come, you have received, and you have established in your own right the Light of the Christ! Let that Light continue to shine forth! Let the Momentum of the future be carried out by that Light in the time tables that are according to the Mighty I AM Presence and the Ascended Masters, for there is a timetable of progress intended for the Earth! Even though the Great Central Sun is in a state of timelessness, blessed ones, nonetheless the Earth is to advance as the Sons and Daughters of God take the necessary, practical steps, carrying out their Divine Plan and fulfilling the Victory of their Mighty I AM Presence.

It is my Desire for you, one and all, to hear the Voice of God within, to allow for the Flame upon the Altar of your Heart to translate to your mind the Mind of God as Illumination's Flame burns brightly, to allow for the Fullness of the Charge of the Power of God to come forth as the Will that you *feel stirring* within your emotional body, under the God Control of the Mind of God, and with the Harmony and the depths of Peace.

And, blessed hearts, as you stand fully embracing your commitment to Divine Service with the Constancy of your vehicles firmly fixed upon the Mighty I AM Presence, know the Kundalini Fire of the White Fire of the Mother Light establishes within you the creative mode of expression that is necessary for the multiplication and the building of all that is to be established upon the Earth! Then the Mother Light makes room for the Emerald Ray to establish the Truth of Cosmic Law®, the Divine Intent of all that is to be created, flooded into the Elemental Forces of Nature and establishing a greater foundation for The Temple of The Presence to carry into the Golden Age all that will charge the Sons and Daughters of God

yet to be born with the Divine Outpouring of all that is deemed necessary by their Mighty I AM Presence.

It is my Joy, as always, to commune with your Hearts. And in that Communion, blessed ones, we are celebrating the Will of God. And when you celebrate the Heart Flame of your Mighty I AM Presence, you are able to enter into the Fullness of the Allness of God and know the Great Central Sun as your Home and feel that Great Magnet that draws you upward to your own Ascension in the Light!

Be of good cheer! And rejoice in all that is to come in the future of The Temple of The Presence and all that you have already established for The One, The Almighty!

I thank you!

I AM as Ever, your Morya.

El Morya

Public addresses to the Students presented in *The Voice From The Temple* have been prepared by the presiding Master for release in written form for our present use and for posterity.
