## We Proclaim the Purity of the Christ Light in All

I Gabriel, and my Beloved, Hope, hereby ignite a Pillar of Fire, touching now the physical plane, the emotional, the mental, and memory bodies of the Sons and Daughters of God! We command this Pillar to be multiplied and anchored far and wide across the Earth in all the planes of consciousness so that throughout the coming week as our Angels move forward in the Fullness of Purity and God Consciousness of Perfection, there will be an acceleration of this Flame that We have anchored to reinforce the fullness of each one putting their attention upon all that is Pure, all that is God Good, so that there can be an elevating of the Christ Consciousness and a bringing forth of a greater Momentum of all that is Pure.

For, blessed hearts, when Purity is present, the Christ Consciousness can flow forth freely from your Heart and the Flame of your Presence. This is necessary for the acceleration of each one's Destiny under the canopy of their own God Presence. For as a Godhead Charioteer, the Fullness of the Divine Journey fulfilled is to return Home in the Ascension in the Light! Each lifetime affords a greater opportunity to bring about a greater momentum of Attainment, Mastery, and fulfillment of the Divine Mission that the Mighty I AM Presence, Individualized from the Presence of The One and anchored as the Individual Consciousness of the Christ Light upon the Altar of the Heart, has desired to bring forth. For yes, blessed ones, each Son and Daughter of God is intended by their own God Presence to fulfill a Divine and Holy Calling. It is Holy because it is Pure. It is sanctified by the Flame of God.

Those things that come forth that are created out of the vibrations of negativity, of distortion, born out of the astral and psychic plane, do not rise to the level of God Consciousness and therefore must be transmuted, purified, put into the Violet Flame so that there can be a resurrecting of the God Consciousness that lies within each lifestream's miscreation. The Realm of Akasha already contains all the God Good that any Son or Daughter of God, Child of the Light could possibly dream of to bring to the fore creatively, as desired by the Flame of the Heart of their Mighty I AM Presence, as conceived in the Mind of God, established by the Will of God, and as all Perfection already brought forth in the highest Vibration of Akasha that stands the test of time and is, in fact, part of the Causal Body Momentum that each one carries with them lifetime after lifetime and into the Ascension in the Light. Blessed hearts, in Akasha this level of Purity and Perfection is already *Actualized*. And all this you should be striving towards.

Oh yes, there are pitfalls round about you. But there are likewise Angels round about you constantly telegraphing, trumpeting their Momentum of Purity to remind you. And should a feeling come over your emotional body — a shuddering, if you will — our Angels shall awaken you to the realization that that vibration that you are putting your attention upon does not rise to the level of the Vibration of the Flame upon the Altar of your Heart and thus is not for you. How often have the Sons and Daughters of God forced their attention upon and into those areas of life that they did not like, that were distasteful to their Christ Presence. The very noxious vibration drove them to run as quickly as they could from the midst of that which was being presented.

Blessed hearts, when you can surround your vehicles of consciousness with the Light of your Mighty I AM Presence and flood forth the Christ Light in all of the areas of your life, you begin to see how glorious is the opportunity of life. You see how magnificent is the Presence of God bringing forth all of those initiations and cycles that teach you, instruct you, clarify your consciousness, allow you to have the perspective of the difference between right and wrong, Truth and lie, so that you make wise decisions based on the Flame upon the Altar of your Heart. For that Flame knows only Purity. It knows the Truth of who you are. It is a part of the whole of the Divine Kingdom of your own Mighty I AM Presence recognizing the

Fullness of your Attainment in the Causal Body, understanding what is possible for you. And when you strive mightily with every erg of energy of your being to put on the Garment of Christ Light, you discover there does come that time when it is no longer a future aspiration, but it has become an ever present reality and you are Home in the Light. And no amount of outer darkness, riptides of human thought and feeling will ever again tear you from your rightful place.

That, blessed ones, is why We, Gabriel and Hope, stream forth the Purity of our Light this day to be anchored in the Earth and to be carried forth by our Angels of Purity so that the White Fire of God Conscious Purity and Perfection can begin to be desired once more. Sadly, Purity has oftentimes been perceived as an unreality, even a sarcastic joke within the conversations of mankind, that no one is pure. For too many still hold on to sin, disease, and death. Oh, blessed ones, your own God Presence desires you to be lifted out of all such ancient records of unreality and to put on the Consciousness of the Christ Light so that you shall begin to truly live the God Life that your Presence has intended for you.

Oh yes, there have been many incarnations, and throughout those incarnations, there have been great opportunities that you have fulfilled. This is why you have the attainment that you do in this incarnation to be able to hear the Voice of your own God Presence, to be able to attend to the Flame of Archangels and Archeia, to have the awakening to the many Truths of Cosmic Law® that you have embraced and internalized. But merely because you know and there is a level of attainment that you have achieved thus far, you cannot rest upon your laurels, as has been said so often. You must continue to accelerate your consciousness, to elevate that consciousness into the Fullness of the God Reality that abounds all around you.

When our Proclamations that *the Christ Light is in all* are heard far and wide, even in the marketplace, how many do you think truly understand or relate to the reality that they, too, can become that Christ? It is very few. Most, if they believe in the Advent, in Christ coming forth, also believe that it was a onetime event to show mankind that God was in the land and would save them from all sin. Blessed ones, the Presence of God *is* within the land, *is* within your own Heart Flame. The Christ comes forth daily within you to elevate your consciousness and free you from the burden

of the bleakness of mortal mass consciousness so that you can begin to embrace the Truth of God Reality. You need not be subject to that mass consciousness! You are intended to be a Pillar of Light shining in the Earth, fulfilling the Divine Destiny of your own Mighty I AM Presence!

In the Allness of God, your Presence reveals to you daily, through the activities of your life, the initiations and the cycles of life's response to your calls and devotions, shows you the Truth of the fulfillment of your Path brought to bear moment by moment, revealing how God intends your life to be lived. Oh yes, there are still those things that occur that seem to catch your attention and pull you away from that Reality of the Christ Light for a time. But just as quickly as you become aware of them, you return home to the Heart. You allow the Light, within a blink of an eye, to fill your countenance, and you once more reestablish the Charge of Light of your own Holy Christ Presence. That is just how quickly it is intended for you to be able to self-correct and operate throughout the entirety of your incarnation.

Our Angels do assist you at every turn, reminding you and oftentimes allowing for you to be exposed to something that will delineate most clearly in your consciousness that certain things are out of the bounds of the Perfection you are to put your attention upon. And therefore, quickly you seal up your consciousness once more in your Holy Christ Presence. The Archangels hold the balance for many of you, lifetime after lifetime, until you are able to stand in your own Light and fulfill your Fiery Destiny by the Fiery Source of your own Mighty I AM Presence and commitment to God.

As you move through this coming cycle, recognizing that the Truth of your Identity is founded upon God Purity, realize that this is an opportunity for you to re-evaluate your life and all states of consciousness that you are to entertain, all with whom you are involved, all the thoughts that you allow to course through your mind without challenge, all activities that you allow to go on in your midst. And then recognize your opportunity to change! Fill your countenance with the Light of the Christ to transmute records returning to you from past incarnations that are less than the Perfection of the Light of your Holy Christ Presence. Then at long last you will begin to see what magnificent Purity and Perfection your Presence has in store for you.

As the announcement of your Christhood begins to flourish within your own countenance, within those around you, though they know not the Office of the Christ, they know that you have changed. They know that your Vibration is uplifted, the Joy of Life and the fulfillment of life are present. And our glorious Angels round about you continue to proclaim that Christhood daily on your behalf so that the forcefield round about you is protected, is fulfilled in the Light of God. That is what We, the Archangels of the Fourth Ray of the White Fire of God Purity, desire for you, each one.

Let the proclamation go forth!

*Purity's Angels are in your midst upon the Earth!*

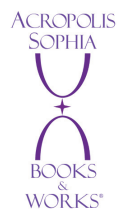

*Gabriel and Hope hold open the Pillar of Fire to reinforce that Momentum and shall continue this Service throughout this cycle of the Sacred Weeks!*

*Let the consciousness of the Sons and Daughters of God hear, see, and know that the Presence of God is in the Earth!*

*Be sealed in our Purity! Be sealed in the Love of God! And be sealed in the Divine Will coming forth as a result of that Purity flourishing through the land!*

*We Decree it so!*

*Gabriel and Hope*
