## Experience the Tangibility of The Great I AM

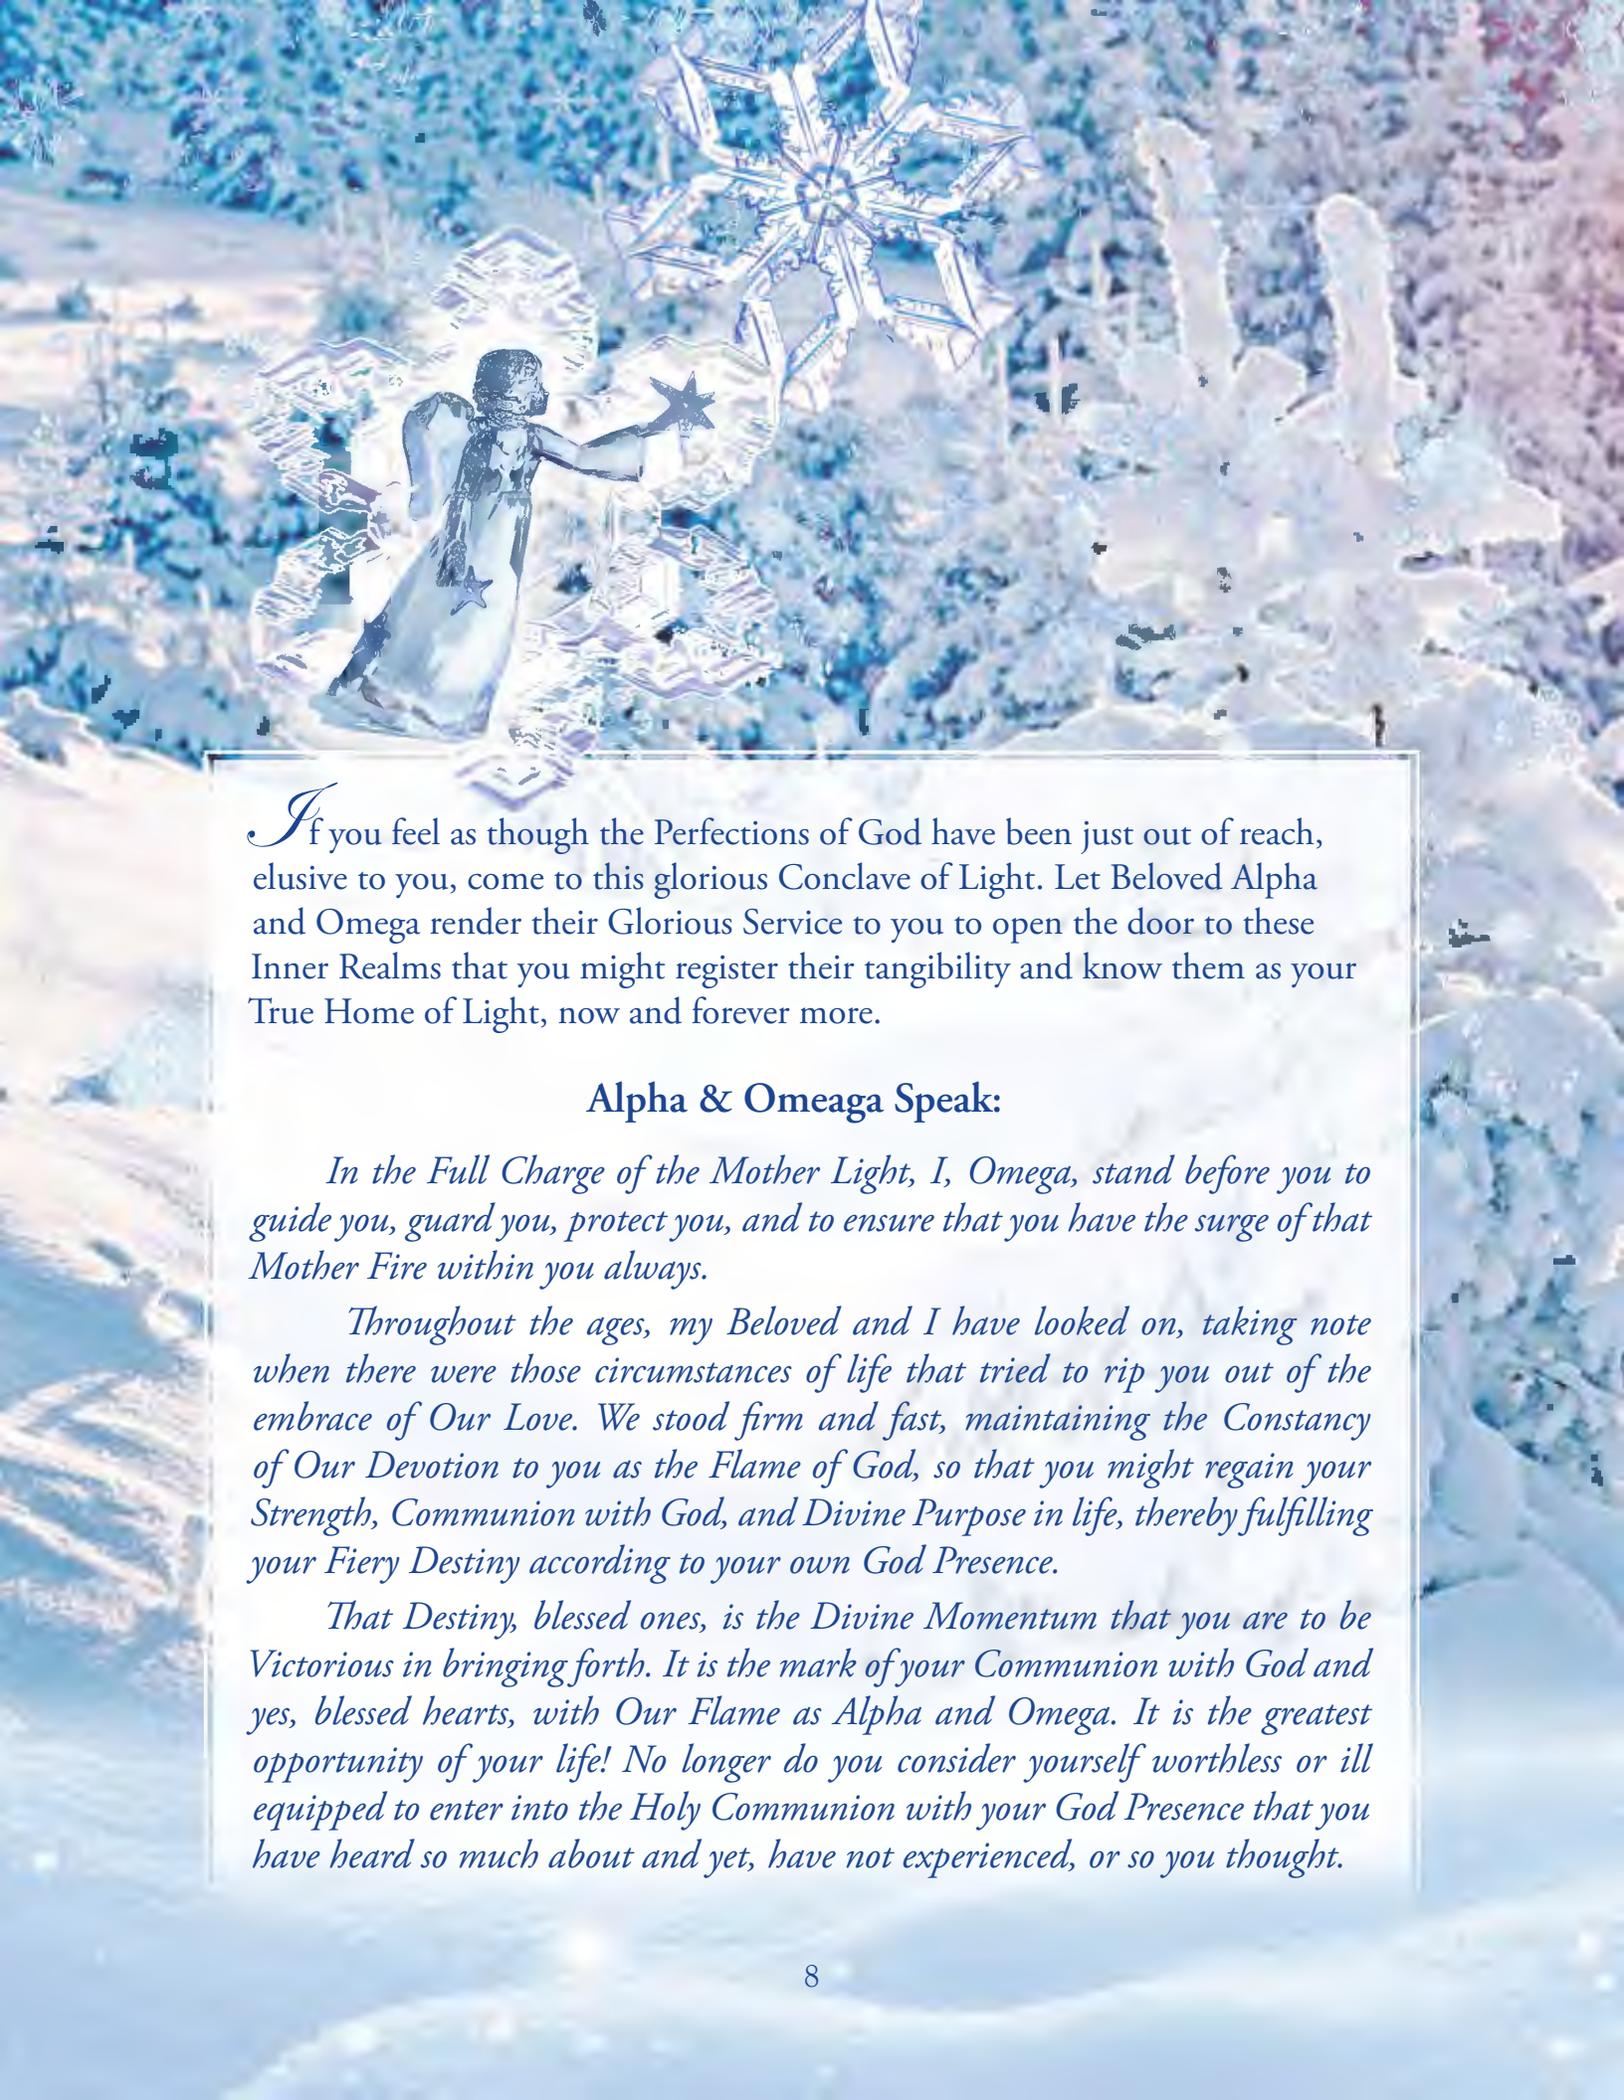

*O Holy One of Isreal, anoint my head with the Holy Chrism. Seal my lips with the White Fire of Purity. And let mine eyes only behold the Face of God.*

Our Beloved Jesus in his final embodiment as the Christ, as well as in his many embodiments throughout the ages, elevated his heart and mind into the Realm of Pure God Consciousness that we are coming to know as The Great I AM. As Isaiah and David, as Joshua and Joseph of the Coat of Many Colors, He experienced the tangible reality of the All-Pervading Oneness and Goodness of the God of Very Gods.

As He went about his Father's Business, Jesus walked in the overshadowing of The Great I AM, the Holy One of Israel. Knowing, experiencing, and fulfilling Divine Providence, He was fully engaged in the Great Brooding Presence of this God Consciousness of The One.

Blessed ones, throughout this Blessed Interlude, you are invited to sit at the feet of Beloved Jesus and draw upon his momentum of knowing the Presence of God. It will be our great Joy to rehearse the revelations of Beloved Saint Germain and his empowerment to enter into the Consciousness of The Great I AM. As you rise in attunement, you can experience and register the tangible reality of these All-Powerful Expressions of The Godhead and their closeness, nearness, and accessibility to you.

*Thou Mighty, All-Powerful Active Presence — God! We ever grow in deeper praise, thanks and gratitude to Thee for Thy Life, Thy Light, and Thy Intelligent Power manifest everywhere in the Universe; for Thy Active Presence manifest in the mind, body, home, world, and affairs of everyone.*

If you feel as though the Perfections of God have been just out of reach, elusive to you, come to this glorious Conclave of Light. Let Beloved Alpha and Omega render their Glorious Service to you to open the door to these Inner Realms that you might register their tangibility and know them as your True Home of Light, now and forever more.

### Alpha & Omega Speak:

*In the Full Charge of the Mother Light, I, Omega, stand before you to guide you, guard you, protect you, and to ensure that you have the surge of that Mother Fire within you always.*

*Throughout the ages, my Beloved and I have looked on, taking note when there were those circumstances of life that tried to rip you out of the embrace of Our Love. We stood firm and fast, maintaining the Constancy of Our Devotion to you as the Flame of God, so that you might regain your Strength, Communion with God, and Divine Purpose in life, thereby fulfilling your Fiery Destiny according to your own God Presence.*

*That Destiny, blessed ones, is the Divine Momentum that you are to be Victorious in bringing forth. It is the mark of your Communion with God and yes, blessed hearts, with Our Flame as Alpha and Omega. It is the greatest opportunity of your life! No longer do you consider yourself worthless or ill equipped to enter into the Holy Communion with your God Presence that you have heard so much about and yet, have not experienced, or so you thought.*

*For unbeknownst to you, many times you have been in that Charge of Light and it has escaped the conscious awareness of your own emotional body and your physical body. For you have not, in those times, been able to strip away the human veil sufficient to enter into the Threefold Flame of your Heart and know that Flame as it knits you together with your own God Presence and its Momentum of Light coming forth to bless you.*

*The more that you desire with every erg of energy of your being to commune with God, the greater is the return current of that Light and Body Consciousness of your own Mighty I AM Presence, as well as that of the Entire Spirit of the Brotherhood of Light.*

*Then at last you begin to feel the surge of the Mother Light within you as the Kundalini Fire announces to you the Christ Light as Illumination's Flame in the Christ Mind, the Purity of the White Fire, acting upon the current of that Momentum of the Kundalini Fire insisting that it be engaged in Purity, in the Vibration that holds fast to the Holy Christ Presence, and ultimately propelling your consciousness and the entirety of your being into the waiting arms of my Flame, Omega.*

### Devotion and Communion with the Mighty I AM Presence

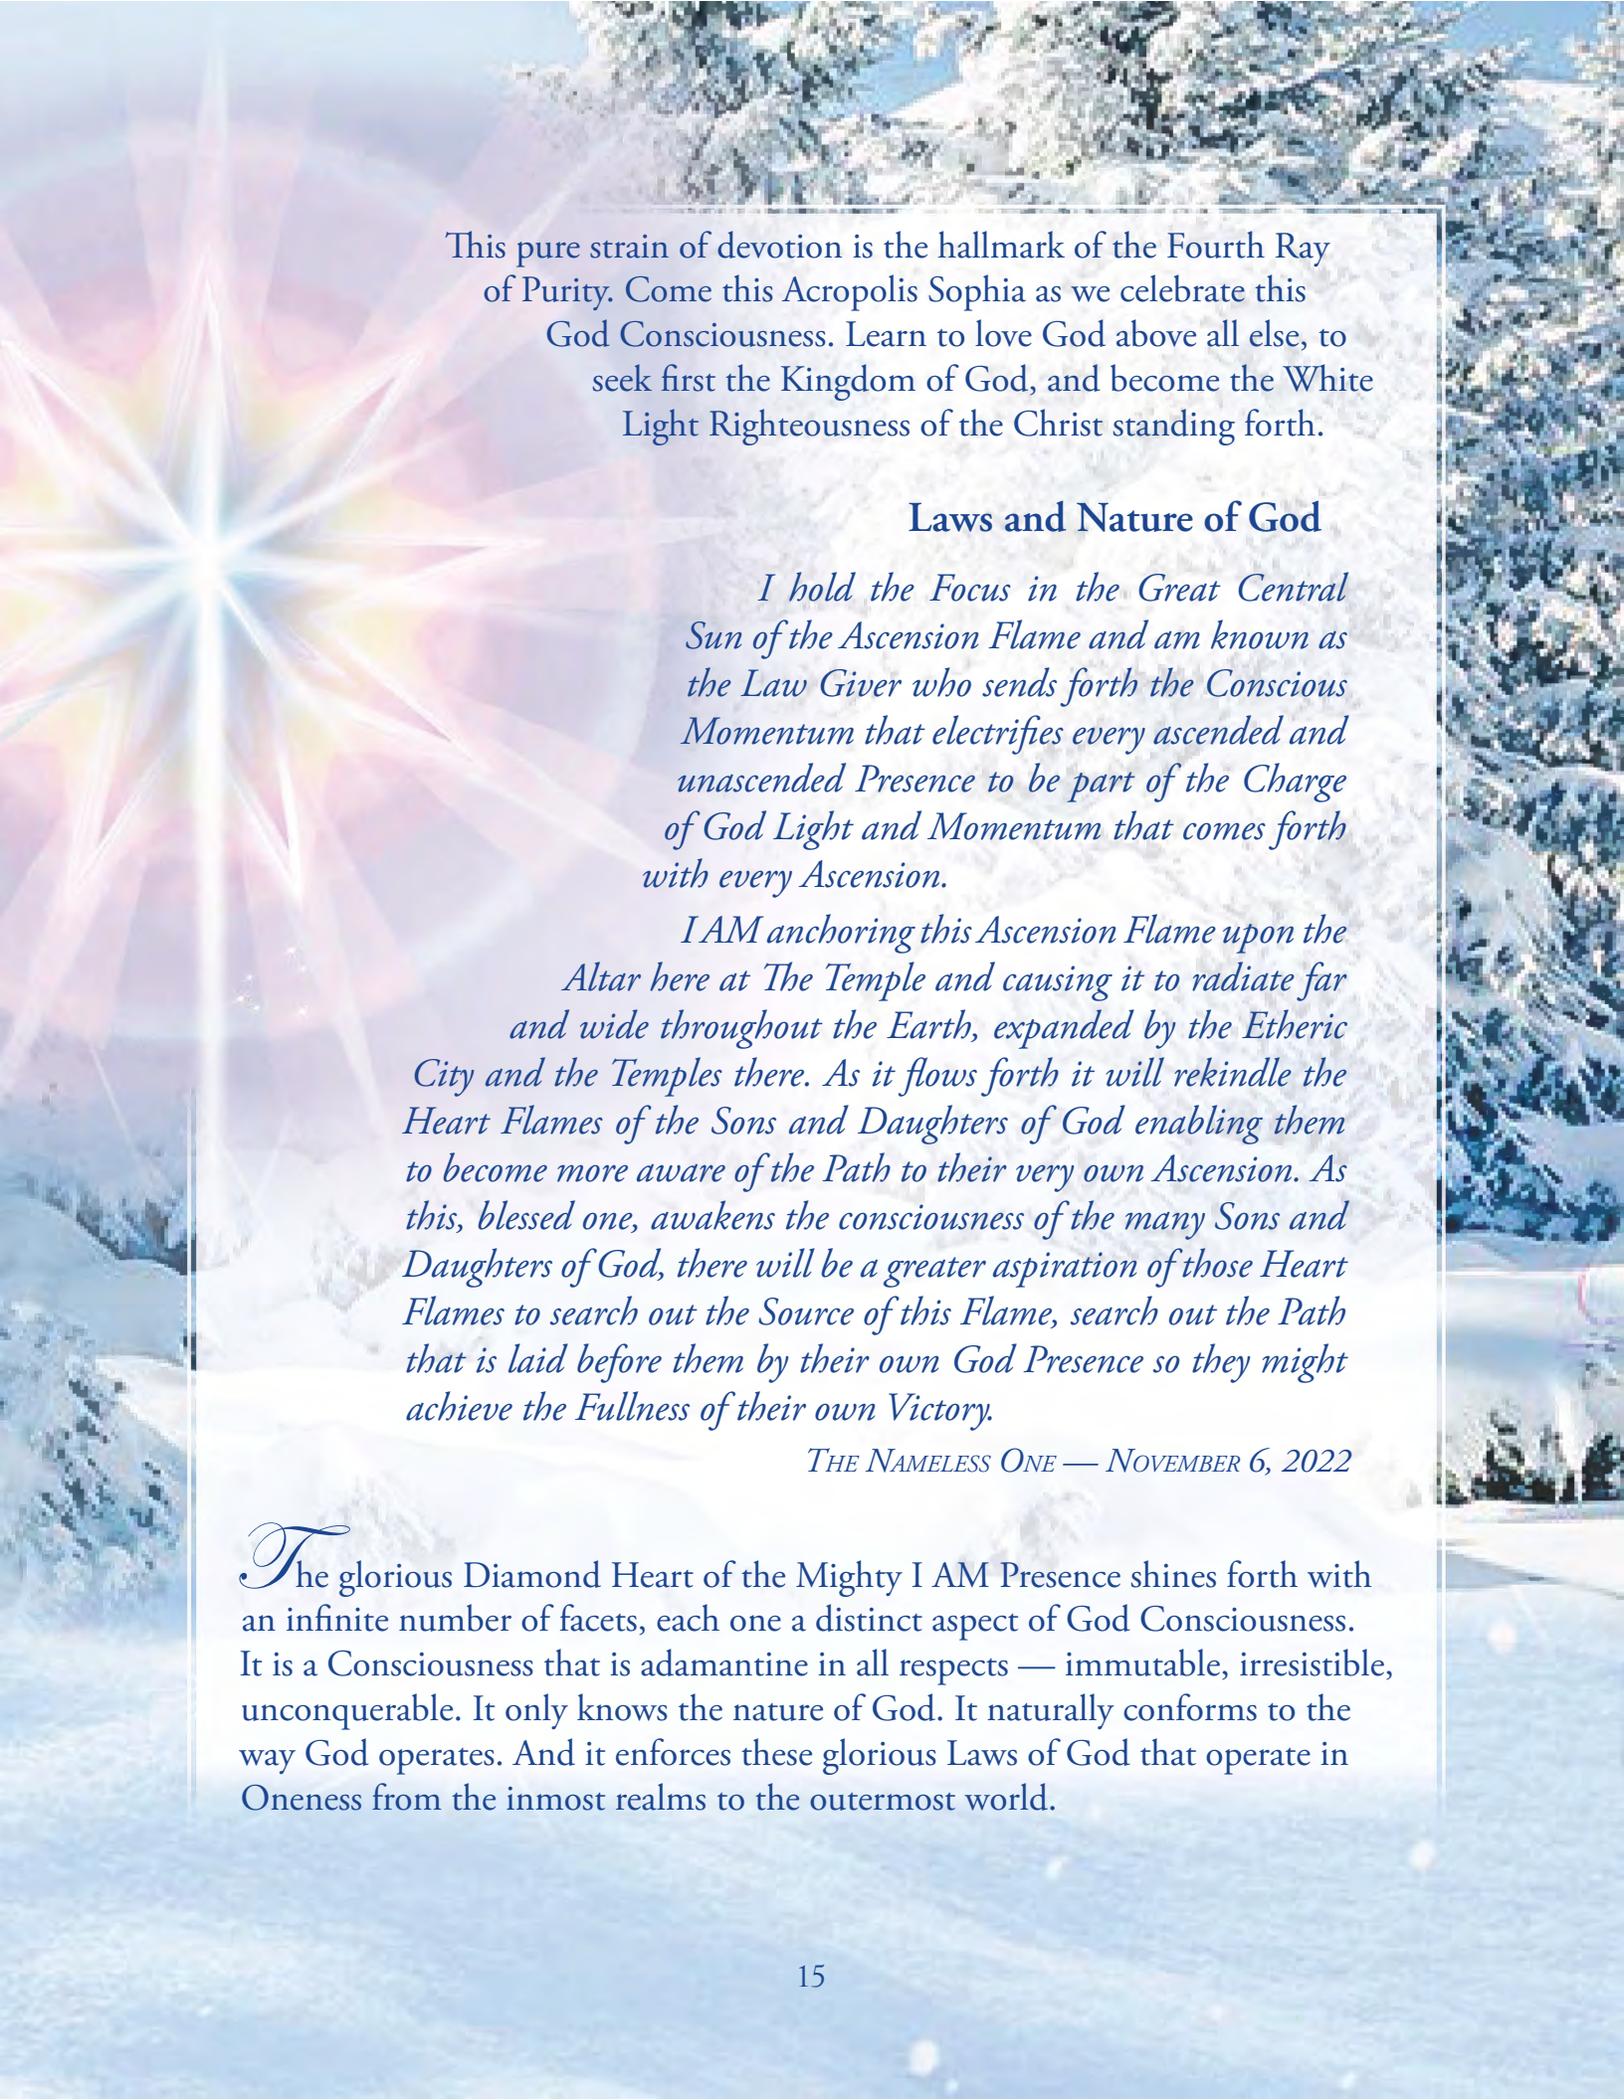

*But seek ye first the kingdom of God, and his righteousness; and all these things shall be added unto you.*

MATTHEW — 6:33

*With an upraised Grail Chalice do I come, seeking to walk the Path of the Saints and Adepts of old, those who have given their all unto the Glory of God. I seek God and God only — my own Beloved Mighty I AM Presence — as the all-in all of my life. God is the fulfillment of every desire, every task, and the means to accomplish all Good Works.*

*I come on bended knee to pray. With hearts devotion to the Presence, I take each breath, living each day in the hallowed radiance of God's Presence. The Lord is my Shepherd, my Safeguard. I place my life within the Hand of the Eternal. Naught but Panis Anglicus, the bread of Angels, touches my lips. That which I bring into my world is the pure God Life of the Presence.*

This pure strain of devotion is the hallmark of the Fourth Ray of Purity. Come this Acropolis Sophia as we celebrate this God Consciousness. Learn to love God above all else, to seek first the Kingdom of God, and become the White Light Righteousness of the Christ standing forth.

### Laws and Nature of God

As it flows forth it will rekindle the Heart Flames of the Sons and Daughters of God enabling them to become more aware of the Path to their very own Ascension. As this, blessed one, awakens the consciousness of the many Sons and Daughters of God, there will be a greater aspiration of those Heart Flames to search out the Source of this Flame, search out the Path that is laid before them by their own God Presence so they might achieve the Fullness of their own Victory.*
