

The background is a detailed, painterly landscape. At the top center, a golden sun with a human-like face and radiating rays is surrounded by roses. Below it, a river flows through a lush, green valley. In the foreground, a small boat with a golden figure inside is on the water. A woman in a red dress stands on the bank, reaching out towards the boat. The scene is bathed in warm, golden light, suggesting a sunrise or sunset. The overall style is reminiscent of 19th-century religious art.

Blessed hearts afire for God, these Truths are most precious and necessary for those who desire to achieve the Victory of their Ascension in the Light. You are commended to the study and internalization of these monumental Truths of Cosmic Law to unravel the mortal coils of human limitation and establish your Christhood, here and now!

STAND IN THE PANOPLY OF THE CHRISTOS

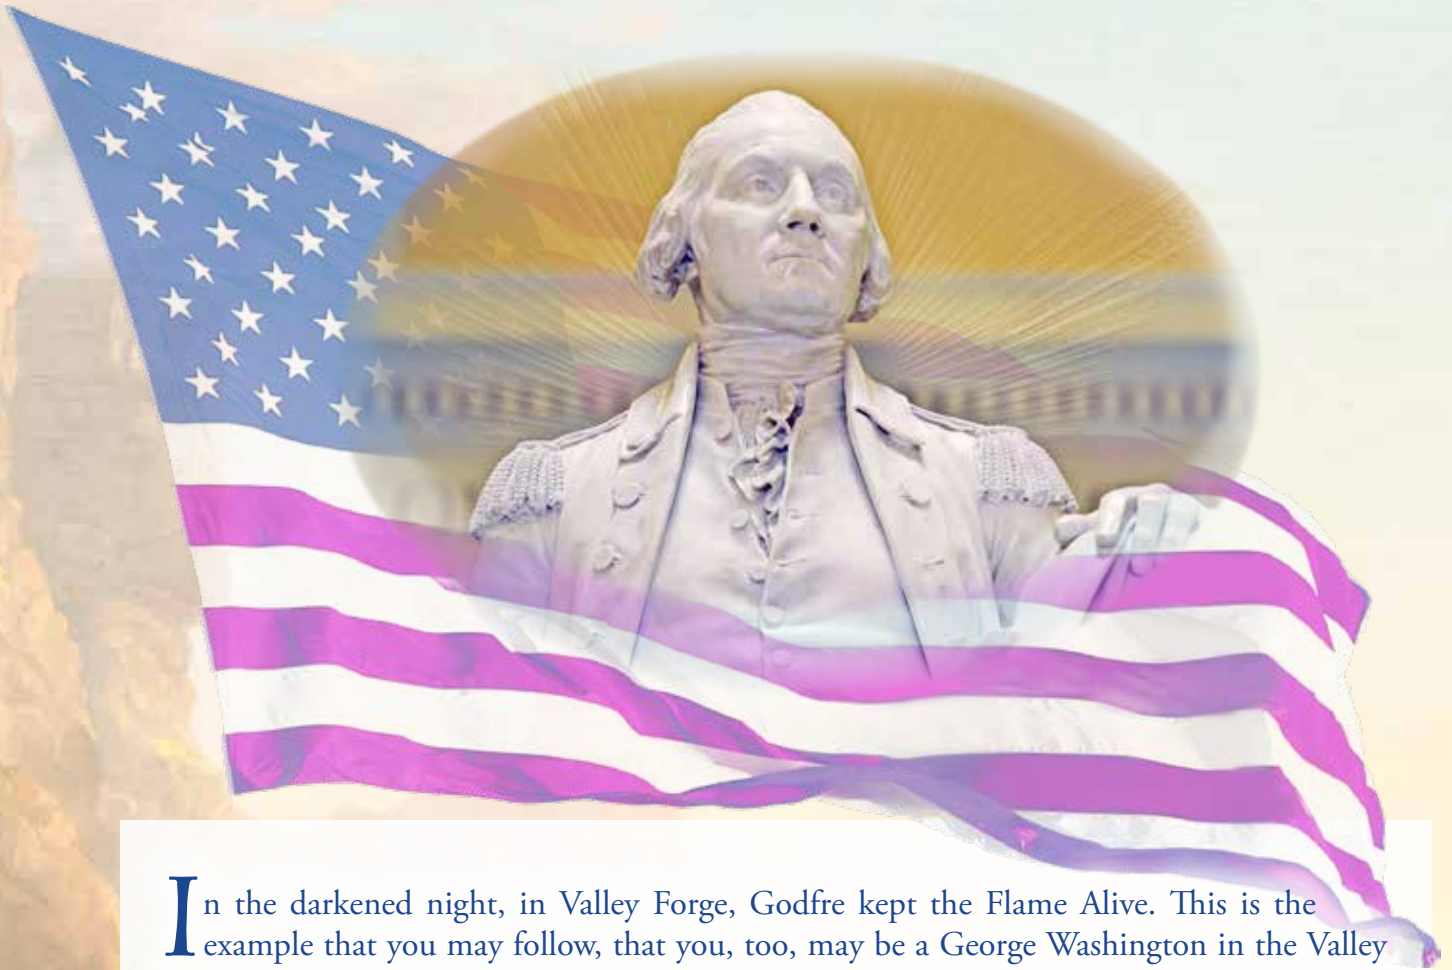

Just as Beloved Godfre stood on the front lines of many battles, in many lifetimes, you, too, stand on the front lines of battle in this hour. Walking in his footsteps, you can stand forth boldly as the Christ, without hesitation, in Fearlessness, in Courage and Strength. Throughout his many lifetimes, this Beloved Son of God did not know fear in the outer mortal self, for He was able to touch and anchor the Current of the Light of his Mighty I AM Presence.

As George Washington, Godfre knew Divine Providence most intimately, as a God Reality that infused every fiber of his being. In the Divine Providence of the Hand of God Almighty, He placed his Faith and his Trust. The devotion of his Heart to God's Presence allowed Him to stand forth as the Christ in all of its resplendent Glory! Sheets of White Fire blazing forth from his countenance radiated in, through, and around Him as the Panoply of the Christos.

Blessed ones, this is the Panoply of the Christos that you are to invoke at your altar! As you establish the White Fire Rod of Power in your outer vehicles, it rays forth an impenetrable Sheild of Light, a hallowed forcefield for God Freedom. In devotion and love to your Mighty I AM Presence, you, like George Washington, can open your Heart and allow for Saint Germain's Vision of Freedom and the Divine Providence of the Goddess of Liberty to take hold within you.

TRUST IN THE HAND OF DIVINE PROVIDENCE

Though a great storm rages in its fury, though the bleak winter casts its harsh, lifeless shadows, though my eyes cannot see through the sheets of ice and hail, I know the Hand of God's Divine Providence, ever guides my footsteps. Unto the Protection of Almighty God, unto his Holy Keeping, do I place my trust. He makes way the Tree of Life and Great Rivers of Peace flow from his Blessed Countenance. In the guiding Light of Divine Providence, the Goodness of God's Presence is forever made manifest in my life.

In the darkened night, in Valley Forge, Godfre kept the Flame Alive. This is the example that you may follow, that you, too, may be a George Washington in the Valley Forge of your life — that you may stand tall, strong, and Fearless. Overcoming Victory may be yours each step of the way as you enter into the Light of your Mighty I AM Presence and bend the knee before the Providential Presence of God Almighty.

"By the all-powerful dispensations of Providence, I have been protected beyond all human probability or expectation; for I had four bullets through my coat, and two horses shot under me yet escaped unhurt, although death was leveling my companions on every side of me!"

- George Washington
