SBE SUBCONSULTANTS

PROJECT: West Community
Elementary School -
16100 Persimmon Blvd,
Westlake, FL 33470

When you attend, you'll gain valuable insights and connections to help your business grow:

- **Project Insight & Key Dates:** Learn the trades, scopes of work, and critical bid timelines for this **new build**.
- **Contract Opportunities:** Discover how to prequalify and position your firm for success.
- **Certification Advantage:** See how OSBD certification can give your business a competitive edge.
- **Networking:** Connect directly with project representatives and potential collaborators.
