

PLUSCO SUPPLY, a beacon of exceptional service in the maintenance, repair, and operating (MRO) product sector, is excited to announce a partnership with The School District of Palm Beach County. This award marks a step in our commitment to supporting educational institutions, where we will supply essential Plumbing, Water Heaters, and Lift Pump Supplies.

Brett Miller, CEO of Plusco Supply, shared his excitement about this venture: "Partnering with the School District of Palm Beach County underscores our dedication to excellence and customer satisfaction. We are eager to showcase our expertise and are committed to this exciting journey. Our involvement with the educational community is a privilege, as we ensure that school facilities meet the highest standards."

With over 45 years in the MRO industry, Plusco Supply has become a leader, focusing on customer-centric services and innovative solutions. Providing top-quality MRO supplies, Plusco Supply is integral to the operational success of various institutions. Our goal is to allow our facility clients to boost operational efficiency, reduce costs, and maintain operational continuity.

We are honored by the trust from the School District of Palm Beach County and are committed to maintaining our excellence. This partnership reflects our dedication to community and educational support. Expanding our impact, Plusco Supply is also dedicated to local community outreach. We believe in giving back and actively engaging in initiatives that align with our values.

We are profoundly grateful for our status as a certified small business. This certification opens doors to new local opportunities, allowing us to contribute more significantly to the communities we serve and to forge partnerships that are rooted in shared values and goals. Through such collaborations, we aim to continue making a positive impact and driving progress in the communities and sectors we are passionate about.

There are a total of five bid awarded vendors on this contract and Plusco Supply is the only SBE certified vendor with SDPBC on 24C-18T Term Contract for Plumbing, Water Heaters, Boiler and Lift Pump Supplies.
