

## Turning SBE Certification into Opportunity: Dr. Rooter Plumbing Awarded First SDPBC Term Contract

Congratulations Dr. Rooter Plumbing! Certified SBE Bid-Awarded Vendor with the School District of Palm Beach County Goods & Services Purchasing recently awarded on term contract 26C-23T - Boilers & Water Heaters Repair Services & Preventative Maintenance!

**Dr. Rooter Plumbing** is a licensed, bonded, and insured plumbing company in Palm Beach County, Florida offering a wide range of services, including: New Construction, Remodels, Plumbing Repairs & Installation, Plumbing Maintenance, Sewer & Drain Cleaning, Water Heater Installation & Repair, and Fixture Installation.

The company was founded on faith - not just as a business idea, but as a calling. Seeing a need for honest plumbing work done with care, Dr. Rooter Plumbing was built with faith as its foundation. The company operates under strong ethics and values, believing in Integrity, Honesty, Respect, and Professionalism.

What began with just a few tools, notebook paper, and a pencil has grown into a trusted name in the community. With over 15 years of experience in the plumbing industry, Dr. Rooter Plumbing has the knowledge and skills to handle any plumbing need. *"We're proud that our work speaks for itself and honors God in the process."*

Dr. Rooter Plumbing plays an integral role in the community by supporting and donating to the cause Sincere2000 Foundation, a non-profit organization dedicated to wellness of individuals, their families, and the community through prevention, intervention, and education.

Dr. Rooter Plumbing is owned by **Aaron Boothe**, the company's founder. Aaron attributes the company's success to his faith, giving all the glory to his Maker and crediting that foundation as the driving force behind the company's pursuit of excellence. Through Aaron's strategic planning, plumbing expertise, and unwavering integrity, he consistently demonstrates exemplary leadership.

His CEO and wife, **Kadeen Boothe**, also plays a significant role in this company. By ensuring daily operations are running smoothly and effectively, Kadeen is a key contributor to the organization's success.

Together, Aaron and Kadeen's vision and morals guide the company to serve with purpose, honesty, and care. As they share, *"Part of our goal is to have an established company that people in our community can trust."*

The company is also SBE certified with Palm Beach County and the City of West Palm Beach. *"Being a SBE vendor can open doors of opportunities for you to expand your business. Certification allows your business a competitive edge, networking opportunities to connect directly with project representatives and potential collaborators. This opportunity has allowed us to work with large contract holders and gain great business relationships. Canyon District Park, Fire Station 86 Relocation of Water Tank, Villa L'Onz Townhomes, Villas of Solana, and Blue Heron Commons are just a few projects that we were able to obtain."*

Dr. Rooter Plumbing carries the skills and knowledge to handle any plumbing issue, whether big or small.
