March 19, 2020

In the best interest of attendees, exhibitors and guests, and after careful consideration; the Oklahoma Super Trade Show (OSTS) has made the difficult decision to cancel the 2020 trade show. The show was scheduled to take place on May 6, 2020 at the Oklahoma State Fairgrounds.

As an organization that takes pride in bringing our industry community together, this decision has been very difficult, but these are unprecedeted times. The OSTS has been closely monitoring updates and recommendations from the Centers for Disease Control and Prevention (CDC) and the World Health Organization (WHO), as well as state and local governments. In the last week, we've also learned of the increasing number of travel advisories and restrictions being placed on manufacturers and retailers that would typically attend the show.

The health, safety and well-being of our attendees, exhibitors and staff is of upmost importance. We believe it is in the best interest of everyone to cancel the OSTS and ensure everyone is able to remain healthy.

We will apply any booth fees paid from the 2020 OSTS towards the 2021 OSTS to be held on May 5, 2021 at the Oklahoma State Fairgrounds and the show layout will remain the same. We will gladly give a full refund on paid booth space for any exhibitor that would like to choose that option. We ask that all exhibitors fill out the included form so that we can properly proceed with your refund or retain requests.

Whatever you choose, we thank you for your support and understanding. Please take care of yourself and one another.

Sincerely,

Oklahoma Super Trade Show
