

Reward Your Outstanding Employee!

OPMCA's Employee of the Year Award was established to reward and draw attention to an exceptional employee from the OPMCA membership who excels in their position, has exceptional customer service and loyalty. That amazing employee who can do it all; the one who goes the extra mile and does more than he or she needs to. Maybe you have one in your company—a driver, c-store manager, office manager or other. If so, why not nominate this special employee for this annual award?

OPMCA's goal with this award is to single out an extraordinary employee to be honored each year at the Annual Business Meeting in June. The winner will receive a plaque, a cash award of \$500, recognition at the Annual Business Meeting, as well as in the OPMCA Connection and OPMCA website.

If you have an outstanding employee that meets the criteria, send in your nomination today!

Each nomination will be evaluated on the following criteria:

- Contributions to their Company
- Contributions to Industry and/or Community
- Commitment to Leadership & Success
- The candidate should have a minimum of 1 year in the industry.
- Only employees who are employed by OPMCA member companies are eligible.
