

HEBREW SCHOOL OPEN HOUSE AND SIGN UP

After too long apart, we are thrilled to be planning an **in person start to the school year!**

Join us on for lunch, games (including a bouncy house!), community, and information on the amazing things we will be doing in school this year.

Please note that this event will be hosted both inside and outside of the synagogue. **For all inside activities including tours of the school, masks will be required.** It is your discretion to mask during outdoor activities.

Come and see the school, connect with old and new friends, and celebrate a new start to a new year!

For more information, please contact [**Aimee Loiter**](#).
