

POSTPONED NOVEMBER 6 JUDY ALEXANDER CELEBRATION

Sadly, due to COVID concerns and the rising number of cases in Vermont, we have decided to postpone the November 6 retirement party for Judy Alexander. After much discussion and with heavy hearts, the planning committee felt that this is the safest course of action. There will DEFINITELY be a party to celebrate Judy's retirement at a future date, most likely in the spring.

If you've already donated to the event or for an ad in Judy's book, thank you and if you haven't, please consider donating early. The party will be happening and your donations are appreciated. The donations will go toward Judy's gift, and our religious school. Thank you for generosity.

Sincerely,
The Committee to Celebrate Judy
