The PBS documentary, *Defying the Nazis: The Sharps' War* (www.defyingthenazis.org) tells the story of Martha and Waitstill Sharp, two young Unitarians who stood up boldly against injustice to defy the Nazis and rescue Jews, dissidents, and other refugees during World War II.

After the screening, Artemis Joukowski, co-director and grandson of the Sharps, will discuss the film. He will be joined by community and interfaith partners to explore modern stories of moral courage and solidarity with immigrant, refugee, and faith communities.
