

Brotherhood Organized Axe Throwing Event!

Axe throwing is kind of like darts . . . but with axes. Well, hatchets really. You don't need to be a lumberjack. If you can swing a hammer, you can throw an axe.

Burlyaxe professional throwing coaches will give you all the guidance and pointers you need to quickly and safely progress to the point where you can consistently hit the target.

Just show up a few minutes early to sign our waiver and be sure to wear close-toed shoes!
