In 2019 in addition to its normal activities, Brotherhood is also planning some special events. Among them are: hosting a pre-Oneg and leading a Friday Shabbat service; attending a Saturday morning Shabbat service followed by a discussion and lunch; offering a tasting of Kosher for Passover wines; working on a Tikkun Olam/social action project; and, co-hosting a summer family event/BBQ with Sisterhood.

As a reminder, **all** Brotherhood activities and events are open to **all** Temple members. Brotherhood members do **not** have to be Jewish nor members of Temple Sinai and all genders are welcome.

The Mission of Brotherhood is to promote a sense of community, friendship and fun among its members, and to undertake specific tasks to support Temple Sinai and other deserving charitable organizations in the greater Burlington area.
