My name is David Gottlieb - 70 years old and ***I am asking for your help finding a kidney donor -I am on dialysis --every night as long as I live. Please share my search with everyone you know.***

- *Why Help Me?*

- >**Caregiver:** assist my visually disabled wife

- >**Husband, Father, Grandfather:** married 43 years to Lila; married son, Adam; first grandchild born in March 2016. Looking forward to participating in raising new grandchild

- >**Community Supporter:** Many years servicing/volunteering/holding office for religious institutions, charities and civic groups

- >**Humanitarian:** Assisting the disabled; helped develop system to save sailors during life-threatening events

- Kidney Transplanting is a well established procedure;

- >Arthroscopic procedure; 2-3 days in hospital; covered by my insurance and expenses paid

- >National Kidney Pairing/Exchange Program exists so *an exact match is not necessary*
