

Cardbase 4 ¼ x 5 ½

Cut DSP with 2nd to the largest Deckled Die Circle

Cut in half

Score each side at ¼ inches

Stamp inside white 4 x 5 ¼

Then add the scored edges of the DSP to each side of the white that creates your gate fold

Adhere that to your card base

Belly band is 1 ¼ or 1 ½ depending on how wide you want it x 11 inches

DSP is 1 inch x 11

Adhere the DSP to the belly band, wrap around the card base and glue down (making sure it can move off easily.

Decorate as you wish!
