Are you a member of the Oneida Nation of the Thames?

If so, we want to hear from you!

10 spots available for community members to participate in an interview about:

1. Ways to improve healthcare services for First Nation people.
2. Ways to incorporate traditional healing and facilitate culturally appropriate healthcare services.

Answer 7 questions that cover the following topics:

- Community/patient issues and challenges.
- Experiences of racism/bias within the health system.
- Health priorities.
- Recommendations for health system improvements.
- Barriers or challenges to working with healthcare providers.
- Defining cultural approaches to health.

Why participate?

- Share your valuable insights and experiences.
- Contribute to improving healthcare policies for the community.
- Your voice matters!

Plus participants will receive a gift card incentive for participating.
