

A Victorian Post-it in the MacLaren Hall

The detail of the corner stained glass invites us all to appreciate a simple message of love in action.

However this round window is in real need of repair – the paint is lifting, the wood is well weathered.

Just one example of what love and attention with willing hands and heart could do to invigorate the lustre of the message throughout the building.

Autumn 2023 – progress in the basement & room 2.1

*some dedicated
progress so far*

Blend together
sacrifice,
one-pointed attention
and appropriate tools
=> fine uplift & joy

Richard & Odile

Spring 2024 – progress in the basement – ladies & gents area

cleaning,
sanding,
filling up of cracks
and touching up of
paint
