

OUR CULTURE

THUR 11TH TO SUN 14TH DECEMBER

You are warmly invited to a 3-day weekend in good company to explore some of the truths about ourselves and our culture.

Our Culture was created in conversation. A group of friends wanted an event where young people could speak their minds about the things that matter most. For this event's fourth edition we aim to gain a greater understanding of the search for meaning, aided by the wealth of wisdom, values and tradition that our culture has to offer. The three days will include guest speakers, dance classes and our black-tie ball.

The fee for the event is £60 and includes food, accommodation and the ball. Please use the link [here](#) or the QR code below to make payment and view the programme.

OUR CULTURE WINTER BALL

WATERPERRY HOUSE
SUNDAY
14TH DECEMBER
7PM

A stylized illustration of a couple dancing. The man is wearing a tuxedo with a bow tie, and the woman is wearing a long, flowing yellow dress. They are in a formal setting, likely a ballroom, with other couples visible in the background. The background is a dark blue-grey color, and the floor is a solid yellow color.
