

YOUNG PHILOSOPHERS INTERNATIONAL

YPI was founded on the principle that 'the whole world is family'. We currently run online classes using Zoom for 9 – 12 and 13+ age groups. The aim is to help the children and young people to:

- learn about the lives, qualities and teachings of wise men and women, past and present
- develop good character, resilience and a sense of service to family and community
- learn about the unseen deeper realms of their being
- experience the clarity and inner strength that comes through acting from stillness
- express the very best of their own natural qualities and talents for the benefit of all.

The Spring 2026 term for the 9 – 12 group starts on Tuesday 3rd March and for the 13+ group on Wednesday 4th March. Both will run for 6 consecutive weeks. 9 – 12 group sessions will begin at 5.45 pm and 13+ sessions will begin at 5.30 pm. Session duration for each group will be about 45 mins.
