Winter 2019 Regional Family Engagement Stakeholder Meetings

Background: Massachusetts state education, health and human services agencies are working collaboratively to create a comprehensive Prenatal through Grade 12 Family Engagement Framework for use in home visiting programs, early intervention services, health and human service agencies, early education and care programs, public school settings, and more.

The Winter 2019 Regional Family Engagement Focus Groups will bring together members of the cross agency state team along with regional and local stakeholders from a variety of fields to provide insight, guidance, and feedback on the work currently underway to draft the Framework and its implementation plan.

Who: Family members, community organizations, health and mental health practitioners, school and district personnel, institutions of higher education faculty, businesses and other stakeholders with an interest in informing a Prenatal to Grade 12 family engagement framework and its implementation plan are welcome to participate.
