

WinterFest Ice Sculptures

Don't Hibernate – Help Us Celebrate

Blowing Rock WinterFest Style!

This year's WinterFest will look a little different, but the Ice Sculpture Stroll will go on! This element of Winterfest is always a crowd favorite and this year will be one of the main events! Friday evening, January 29th will be a big night for Blowing Rock WinterFest! WinterFest attendees will be walking Main Street to see all the lovely lighted ice sculptures! Nathan Moran, owner of Artisan Ice Sculptures, is an award winning ice sculptor with over thirteen years of experience. He and his team are again creating custom ice sculptures for the evening Ice Stroll on Friday. Each sculpture will be delivered and set up on Friday.

The Ice Stroll will feature approximately 20 different businesses around town that sponsor an ice sculpture at their property. Artisan Ice Sculptures will work with each business to design a sculpture that is unique to them - creativity and imagination are encouraged! Each piece of ice for the sculpture is 40" high x 20" wide x 10" deep. The cost of each sculpture is **\$300**. Price increases based on design will be as follows: larger displays will be priced based upon the size of the sculpture; incorporating color into the ice sculpture design is an additional \$75; 3-D style sculptures are an additional \$75; and freezing items into the sculpture is an additional \$75. If your business would like items frozen into the ice, Artisan Ice will need these items mailed 3 weeks prior to WinterFest. A map of the sculpture locations will be created for visitors to WinterFest as they stroll about town.

Nathan and his team are very talented and can create most anything. His previous carvings for us have included a "working" fireplace, a piggy bank filled with pennies, an

English phone booth luge, and a teapot and tea cup. Come up with something creative and contact Sarah to sponsor your custom sculpture. And remember, the sculptures are lighted! We've found that hundreds of festivalgoers will take "selfies" in front of your sculpture and tag your business location. This is a great promo opportunity and a wonderful way to help make Blowing Rock look extra magical during WinterFest.
