WHAT CAN'T BE RECYCLED IN STORE

Air conditioners, alkaline batteries, appliances, floor-model printers and copiers, kitchen appliances, lamps or bulbs, large servers, large speakers, non-rechargeable lithium batteries, smoke detectors and televisions.

Store management has the right to refuse to accept items that may pose a health or safety risk. When you recycle your eligible electronic device at Staples, you relinquish all ownership rights in the device when you give it to Staples to be recycled. Additionally, Staples is not responsible for any data left on the device turned in for recycling. You are solely responsible for removing data from your device, and you acknowledge that submission of a device for recycling is at your sole risk. When you give your device to Staples for recycling, you further represent that you either: (1) are the sole owner of the electronic device and of any data that was on the electronic device before you deleted all such data prior to recycling; or (2) have permission to proceed with recycling from all other owners of the electronic device or of any data that was on the electronic device before you deleted all such data prior to recycling.
