

**Q. Just talk about the round. You got off to a little fast start there.**

**JAY DON BLAKE:** Yeah. I mean, I haven't played a lot of golf back home in Utah where the (inaudible) are kind of struggling, but it was nice to get off to three birdies right in a row at the start. Hit some good shots in kind of tough conditions with the wind out here, but then I had some little short putts I missed there where I made a couple bogeys and missed a short little putt on a birdie, but just kind of kept plugging along and kind of generated a little bit more momentum. Made birdies on 18 and 1, the par 5s back-to-back, to kind of get me back in the swing of things. All in all, I hit it okay. It wasn't like totally spectacular, but I just kind of did the right things to put a good score.

**Q. The weather looks like it's going to be pretty good this weekend. I know you guys are used to having to go low. Talk about the weekend, what do you think it's going to take?**

**JAY DON BLAKE:** You know, you're seeing scores six, seven -- I don't know what Kenny is going to end up by the end of the day, but it's a deal where it's a course that you can put up some scores. The par 5s are kind of gettable except for maybe one of them over here. It's just normal got to go low. And you know that, so you have to go and kind of be as aggressive as you can without being kind of stupid on shots.
