

Q. Can you just talk about your day a little bit, 6 under. You've got to be happy with the start?

SCOTT McCARRON: Yeah, it was a good start. The golf course played tough in some spots with some of the winds coming up there in the afternoon. Got off to a really good start, birdied the first hole and eagled the second hole, No. 10 and 11. Played really solid all day long, but I didn't play the par 5s well after my first eagle. I made three pars after that and had chances on each one to make birdie, so a little disappointed there. But I played some of the tough holes really well today and so I'm happy with the way I played. Unfortunately, drove it up against the lip on the bunker on the last hole, made bogey, but all in all a very good day.

Q. When did the wind pick up? I know it didn't seem like it was blowing much earlier today.

SCOTT McCARRON: Well, you know, it started coming up probably about the fourth or fifth hole that we played honestly, in the into-the-wind holes. And this is a heavy wind here. Florida for me has always been a heavy wind with the humidity and it seems to move the ball a lot. So we had some shots that were moving the ball quite a bit, it was tough to get the ball close. Some of the hole locations were in really tough spots today, so I'm very happy with the 6 under.
