

ACCA Online Event – August 19, 2020

Program Title	Risk Management for SMEs: building resiliency and business continuity in times of crisis
Location	Virtual
Start Time	12:00 pm
Program Description	In order to minimize risk, it is crucial that small and medium sized enterprises prepare for future uncertainty and remain agile in times of crisis. The ongoing Covid-19 situation has demonstrated that. This joint ACCA and BCCI webinar will bring together expert panelists who will share their insights and expertise in order to help support SMEs build their resiliency with business continuity plans in times of crisis. The panelists will share practical insights on how SMEs can respond to issues and minimize risks surrounding Covid-19, including ensuring continuity of operations and services, protecting the health of staff and customers, managing supply chain shortages, dealing with investment issues, and more. The panel will also discuss areas of opportunity for SMEs.
Learning Objectives	Participants will learn and understand: <ul style="list-style-type: none"> 1) Why risk management is an important area for SMEs 2) How SMEs can respond and minimize risks, especially as related to Covid-19 3) How to prepare a business continuity plan
